**At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!**

**You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!**

## What is *PREVIEWS*?

***PREVIEWS*** is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

## How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

### 1 Use the Short Order Form.

Fill in with the items you'd like to order from this issue.

### 2 Ask for the companion Customer Order Form.

We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

### 3 Ask your retailer about their "Pull & Hold" service.

Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

### Not sure where to find a local comic shop?

**Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.**

**MSRP or SRP**
**Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.**

**Caution (CAUT: #-#-#)**
**Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:**

**International Rights (I-Rights) — the item is restricted into what countries it can be sold.**
**0 = No International Rights restriction;**
**1 = International Rights are restricted.**

**Content Changes — the content may change after solicitation.**
**0 = No Content disclaimer;**
**1 = Content disclaimer enforced.**

**Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.**
**0 = Product will ship according to schedule;**
**1 = Product may ship an additional 60 days beyond scheduled ship date;**

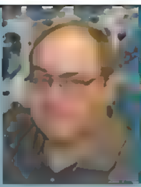
# 25 YEARS LATER...



## EDITOR'S note

This month marks the 25th year of publishing PREVIEWS. Since 1988, we've brought you the most amazing and unique selection of comics, books, games, toys, and other forms of "nerd chow" that keep fans like you (and me!) happily "fed" each and every month!

The ***PREVIEWS*** catalog has seen many changes over the years, ushering in (and out) many different writers, graphic designers, buyers and, yes, editors. I'm proud to say that I have had the opportunity and pleasure to be editor of this publication for the longest duration, and hope to be here for issue #300 and beyond! Stick with us, dear readers, 'cause I've got some big plans for our 300th issue, and I hope I can pull off half of what I'd like to accomplish. Needless to say, I'm already throwing around ideas — big and small — to celebrate a true landmark of our catalog.

Meanwhile, as we're putting the finishing touches on this issue (it's the day before Indepence Day), we're also performing our last-minute chores before the big show in San Diego: **Comic Con**!

By the time you'll be reading this, 2012's Comic Con will be another one for the history books, but hopefully some of you will have made the trek and stopped by the Diamond booth to check out this year's new toys and statues, and maybe grabbed the latest issue of PREVIEWS or caught a guest-signing. Our booth at Comic Con has always been a real crowd-pleaser, and this year's won't disappoint.

And as usual, I will have been once again be roaming the Comic Con floor with my fellow *Comics & Comix* veteran, buddy Chris Cade... armed with our want lists, a thirst for entertainment, and nothing to do but nerd-out for the week.

So until next month, stay cool and enjoy the summer while it lasts. Time just seems to fly by faster and faster as the years go by, but we should all try to slow things down whenever we can. We'll all live longer, happier lives!

Your Pal @ ***PREVIEWS***,

Marty

# GILBERT HERNANDEZ

Along with his brothers Jaime and Mario, **Gilbert Hernandez** revolutionized comics with the release of the first issue of *Love and Rockets* in 1982. His early stories — an exquisitely drawn, unique blend of Southern California punk rock and sci-fi — soon made way for a cycle of more realistic stories originally set in the mythical Central American town of Palomar, centered on a richly detailed group of female characters, including the hammer-wielding Luba. 30 years in, *Love and Rockets* is still going strong, and the brothers debuted the latest "ish", *Love and Rockets New Stories* #5 (JUN121130), at this summer's Comic-Con International, where they were featured guests of the con.

# ASSEMBLING THIS OCTOBER, THE UNCANNY AVENGERS!

In the aftermath of 2012's biggest event, *Avengers Vs. X-Men*, the ReEvolution of the Marvel Universe begins in October, and at the forefront of this new chapter in Marvel Comics' history is Rick Remender and John Cassaday's *Uncanny Avengers!*

To prevent future conflicts between Earth's human and mutant population, Captain America assembles a new Avengers team comprised of both Avengers and X-Men to forge greater ties between the two groups, to advance Professor X's dream of a society of human/mutant integration, and to defend Earth from all threats. Before this new team can function, however, they must settle some unfinished business from the conflict between the Avengers and the X-Men over the Phoenix Force – a funeral for one of the fallen from that conflict, one of the Marvel Universe's greatest heroes. Then, a devastating attack by a loathsome foe will put the new team to the test. Will they bond together to combat the challenge and uphold Captain America's dream of a human/mutant team, or will their differences tear them apart at the very beginning?

Rick Remender, the acclaimed writer of *The Punisher*, *Venom*, and *Uncanny X-Force*, joins forces with fan-favorite artist John Cassaday (*Astonishing X-Men*) to forge Marvel Comics' most exciting super-team! A new era dawns as Marvel Comics' ReEvolution begins in October, and the Uncanny Avengers are leading the charge. Join Remender and Cassaday this October as the *Uncanny Avengers* assemble and join the fray!

# A VAMPIRE AND A SERIAL KILLER WALK INTO A BAR…

The vampire romance genre gets lot bloodier this October as Tim Seeley (*Hack/Slash*) and artist Josh Emmons debut *Ex Sanguine* from Dark Horse Comics!

For Saul Adams, there's nothing particularly romantic about being a vampire. The years all blend together, the victims that he takes to sate his bloodthirst no longer excite him. His eternity of existence bores him, frankly.

Until the day he crosses paths with Ashley. A waitress in a dead-end job, Ashley finds the excitement in her life in an unexpected place — as a serial killer who kills as much for the art as for the kill.

When these two twisted individuals cross paths sparks will fly! And just as Saul and Ashley separately hunt the night, they are themselves hunted by the authorities who want to find the killers who are leaving bodies behind in their wake!

*Ex Sanguine* is a new concept in vampire fiction, and it could only come from the mind of Tim Seeley. Check out the first issue of *Ex Sanguine* this October from Dark Horse Comics!

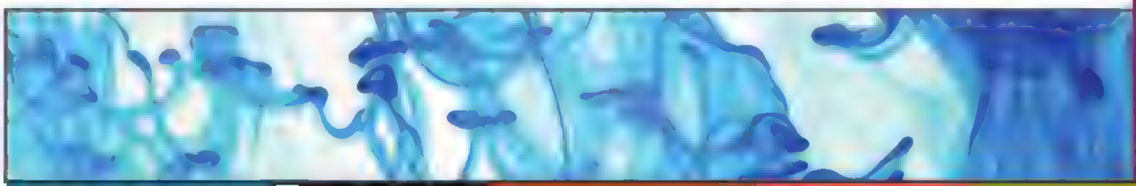
## HACK/SLASH'S TIM SEELEY INTRODUCES US TO THE TWISTED RELATIONSHIP BETWEEN AN APATHETIC VAMPIRE AND A VIBRANT SERIAL KILLER IN HIS NEW SERIES, EX SANGUINE!



Last month *PREVIEWS* told you about Dark Horse Comics' relaunch of one of their classic super-heroes, *Ghost*, and this October the relaunch continues with Kelly Sue DeConnick and Phil Noto's *Ghost* #1! Trying to discover how and why she's been summoned to Chicago, Ghost will also investigate her own mysterious past in Dark Horse's supernatural series!

# SECRETS AND INSANITY REIGN IN IMAGE COMICS' *BEDLAM*

Once, a small city was terrorized by a homicidal maniac known as Madder Red. Once, until he was finally caught and imprisoned, Fillmore Press was that homicidal maniac, Madder Red. Twenty years later, the city of Bedlam has recovered from the depravity that Madder Red brought to their doors. Twenty years later, Fillmore Press has found his way back to sanity and he's found a new place in society. But as William Faulkner so famously said, "The past is not dead. In fact, it's not even past," as the town of Bedlam and Fillmore Press will soon discover in Nick Spencer and Riley Rossmo's new series from Image Comics, *Bedlam!*

Press obsessively tries to understand the life he once led, while Bedlam's police department discovers that Press, because of his past, has a unique insight into the criminal mind. In a city of secrets, Press carries his own secrets, and those secrets threaten to overwhelm him and the city of Bedlam!

From the team of Spencer and Rossmo, *Bedlam* presents a psychological thriller in the vein of *Silence of the Lambs* and *Dexter* that will leave audiences captivated, and it all begins this October!

## THE STRUGGLE TO SURVIVE CONTINUES IN *THE WALKING DEAD* SEASON 2

Robert Kirkman's best-selling zombie comic book for Image Comics, *The Walking Dead*, came to television in an acclaimed adaptation for AMC, and the television series quickly became a sensation, garnering high ratings, critical plaudits, and awards. All thirteen episodes of the second season of the series are coming to DVD and Blu-Ray on August 28th!

Relive every moment of the harrowing story of Rick Grimes, his friends, and his family as they struggle to survive in a world overrun by zombies and in which civilization has collapsed. The thirteen episodes are supplemented with documentaries and behind-the-scenes features that show fans how Kirkman's story was brought to the screen.

In addition to the standard Blu-Ray and DVD releases, Anchor Bay is releasing the second season in a collectible limited edition Blu-Ray package that comes in a zombie head case designed by McFarlane Toys' Greg Nicotero.

This August, no fan of *The Walking Dead* can be without the DVD and Blu-Ray box set of the series' second season!

# DRAWING ON YOUR NIGHTMARES!

**THIS FALL,** Dark Horse has tons of material from the people who've defined our horror line—Powell, Mignola, Niles, del Toro, Corben—and new titles from some of the most notable names in horror comics (Tim Seeley!) and films (Lance Henriksen!). This month alone, we have a Lovecraftian issue of *Creepy*, a new *B.P.R.D.* title featuring young Hellboy, the return of Powell's crass version of *Billy the Kid*, and a visceral new book from the creator of *Hack/Slash*. Meanwhile, the great Richard Corben, recent inductee of the Will Eisner Hall of Fame, has monthly Poe adaptations in *DHP*, leading to his adaptation of Poe's "The Conqueror Worm" in December. So far only Mignola has seen the pages; he tells me it's "much stranger than either of us could have imagined." I can't wait . . .

The best horror stories, whether literary or low-brow, are created through well-wrought characters, unique visuals and fresh concepts, and tense plotting—and comics is a perfect art form for those things. Dark Horse tends to lean away from the real lurid stuff, although a lot of people have had to look away from Paul Tobin and Juan Ferreyra's *Colder* #1 cover. Gore has its place in horror; in films, it's often only as effective as it is convincing—but you know things on the comics page aren't *real*, so we think it's the ideas and the characters that make horror work in a comic. And no medium has ever been more effective at creating and maintaining larger than life characters like Hellboy and the Goon. There are some things other media do better than comics, just as comics do some things better than other media—but what makes horror tick also makes comics tick. This fall, our horror books are gonna get under your skin. Prepare for some unique experiences.

With the Scooby gang on the skids, Buffy finds herself increasingly alone. When faced with some tough decisions grounded in "real world" problems (i.e., not the slaying of pesky demons), Buffy is determined to make her own choices, but that doesn't mean she won't need a little handholding along the way. Cue Spike, compelled to stand by his best friend in her moment of need. Together they'll tackle the increasing zompire population and a rogue Slayer out for blood. Collects *Buffy* Season 9 #6–#10 and "Buffy the Vampire Slayer: In Space No One Can Hear You Slay!" from *Free Comic Book Day 2012*.

Microscopic Roman centurions? Elderly ghosts clobbering gangsters? A haunted vintage of French wine? No conceit is too strange for *Forbidden Worlds*, the playfully bizarre anthology series that hit newsstands in 1951 and continued for 145 outlandish issues! Comic-book giants Al Williamson, Wally Wood, Frank Frazetta, and Ogden Whitney helped to illustrate these pre–Comics Code gems! Issues #1 to #4 of the rare and fascinating *Forbidden Worlds* are now gathered into an archival hardcover, featuring the first in a series of introductory essays by comic-book historian and connoisseur of the obscure Dan Nadel (*Art Out of Time: Unknown Comics Visionaries, 1900–1969*)!

ANGELS: Guardians. Messengers. Warriors. Fallen.

All these angelic aspects and more are explored in A FLIGHT OF ANGELS, a riveting tale in the tradition of *The Decameron* and *The Canterbury Tales.*

A mysterious angel plummets to Earth and lands deep in a dark forest, where his dying body is found by the mystical denizens of this strange place. As the gathered fauns, fairies, hags and hobgoblins debate what to do with him, each tells a different story of who they imagine this celestial creature to be: a hero, a lover, a protector or a killer. Once the stories have been told, a verdict is rendered – and the outcome will leave you breathless. Conceived and stunningly illustrated by fantasy art legend Rebecca Guay (*Magic: The Gathering, Veils*), A FLIGHT OF ANGELS is written by an all-star lineup of today's top fantasy talent, including Bill Willingham (FABLES) and Holly Black (*The Spiderwick Chronicles*) in tales that will grip your heart and make your imagination soar.

# CLASSIC POPEYE #3

Is this a horror comic or a humor comic? Chills or chuckles?! You'll have to decide when you read what the great cartoonist **Bud Sagendorf** described as "a mysterious mystery entitled 'Ghost Island!' An amphibious tale of phantoms and monsters of the darkness—starring POPEYE!" But wait, there's more! Bud introduces a second story by penning these words: "Thimble Theater presents a heart-warming homespun tale of pugilistic love entitled SMASH!" This art-filled issue of vintage One-Eyed Sailor, Olive Oyl and Swee'pee comics also includes the usual wonderful Sagendorf one-pagers and a very special way-cool map of Popeye's adventures!

## THE CROW MIDNIGHT LEGENDS, VOL. 2: FLESH & BLOOD

In the midst of a rural land-rights struggle, Iris Shaw is a federal conservation officer who is murdered in a bombing by a rag-tag band of right-wing activists. Little do her killers know that Iris wasn't their only victim, and now, with the help of the Crow, Iris must exact vengeance for her own death, and that of her unborn baby. Raised from her grave and armed with cold-blooded hatred and a few deadly weapons, Iris hunts down her killers one by one. But if exacting ultimate pain is the goal, when does vengeance cross the line to brutality? And what is the price of the soul?

**Frank R. Paul** is almost universally recognized as the "Father of Science Fiction Illustration," and rightly so, since his work has influenced and inspired generations of artists and visionaries over the past eighty years. From Flash Gordon to Luke Skywalker, Paul's presence is still being felt in the twenty-first century. **Jerry Weist**, noted Science Fiction historian, scholar, and founding editor of the prestigious EC comic fanzine *Squa Tront*, has turned his keen insight towards Paul, who envisioned a world of futuristic cities, space travel and alien life forms. These fantastic visions were realized in the pages of *Amazing Stories* and hundreds of other science fiction pulps and digest magazines. Weist, who authored *Ray Bradbury: An Illustrated Life* (in collaboration with Bradbury) has brought together informative text on Paul and a visual record of nearly every one of his incredible covers, as well as some of his very best, and rarely seen, pen and ink interior illustrations. This will be a visual feast for lovers of classic science fiction art. With an Introduction by **Vincent Di Fate**, Hugo Award-winning science fiction illustrator.

## Question of the Month "WHAT IS YOUR FAVORITE HORROR COMIC?"

"I love horror comics! My fav's when I was a kid were House of Mystery, House of Secrets, Unexpected, Ghosts, Weird War Tales and my favorite of all time- The Witching Hour! Usually consisting of a short digestible story with an ending that defines the word IRONY. Nowadays Mind Mgmt and Walking Dead, to name two, fill the void pretty well!"
EPIC KILL

"ECHOES by Joshua Fialkov: I'm not a big horror guy at all (if I watch AMERICAN HORROR STORY before going to bed, forget about pleasant dreams), but because Josh is a pal and I'd heard so much about it, I gave it a whirl. What I found in those pages....it still freaks me out. ECHOES will do just that after you read it – echo in your mind until it settles in a deep dark corner..."
MIND THE GAP

"My favourite horror comic is "Museum of Terror," a collection of work by Junji Ito. I can't pick just one of his short stories! They're all bizarre, wildly inventive combinations of gore and psychological horror. Ito can draw the hell out of monsters and diced-up corpses, but it's his twisted human faces that really make these comics terrifying."
SAGA

"I like Junji Ito's Uzumaki. I feel like horror has got to be one of the hardest things to do well in comics. It's so impressive how Ito takes a small town's obsession with spirals and keeps it interesting and terrifying over hundreds of pages."
KING CITY, PROPHET

"Stephen King's CREEPSHOW. I read it in my middle school library and I'm still haunted by the images Bernie Wrightson conjured in 'Something to Tide You Over.'"
LI'L DEPRESSED BOY

## THE THIRD DEGREE MARC SILVESTRI

**He's one of Image Comics' founding fathers and the guiding light behind Top Cow Productions, but first and foremost, Marc Silvestri is one of comics most accomplished artists. In addition to his Image work, he's drawn everything from Conan to the X-Men – and he's the co-creator of Witchblade and the Darkness – but this month, he's celebrating his Image's and Top Cow's 20th anniversaries by returning to his roots on the all-new Cyber Force!**

What are you working on right now?
A total redo of CYBER FORCE. And because of that I'm having more fun than anyone I know.

What's the best part of your job?
Being able to redo CYBER FORCE and knowing that nobody can tell me that I can't. And the reason I can do this is because it's Image damnit.

What's the worst part of your job?
Nothing worth mentioning. All the awesome cancels out any complaints.

How did you first discover comics?
My cousin was/is a huge collector. When I was a kid I'd hang out at his house and check out all the cool Kirby, Wrightson, and Buscema shit.

If you weren't working in comics, what would you be doing?
Not having fun.

What's the best thing a fan has ever said to you?
I had a fan tell me that reading my comics got him through a time in his life that was so bad he had lost hope. He got better, got a job, and married. He then introduced me to his son and told me they read comics together.

Who is the biggest influence on your work?
Frank Frazetta, John Buscema, and Bernie Wrightson

What is the single work of which you're most proud?
The Darkness, Here Comes Tomorrow with Grant Morrison, and what we've done with the new CYBER FORCE! That's a single thing, right?

Own up to one of your guilty pleasures.
I LOVE 'So You Think You Can Dance'.

What was the last comic book you bought?
Snyder and Capullo's BATMAN.

If you could be someone else for a day, who would it be?
Charlie Sheen, just so I'd know what it feels like to be a complete A-hole.

Pick three things you couldn't live without.
My wife Bridget and my dogs Monkey and Pickles.

What's the strangest thing you have in your house?
An ivy plant in my office to which I added fake extensions (don't ask for more clarification).

What makes you laugh?
My wife and dogs, South Park, and internet Trolls.

What is one of your favorite places?
The IMAX theater at Universal Studios.

What music are you listening to these days?
Down-tempo chill while I'm working. Otherwise it's alternative rock.

What is your favorite film of all time?
Forbidden Planet / Alien / Dr. Stranglove

Who is your best friend?
Bridget / Monkey / Pickles

What is the best advice you've ever received?
Do what makes you happy and regardless of the level of success, you have already succeeded.

When was the last time you were truly frightened?
When my wife went in for a biopsy. Conversely, when all the tests came back negative it was one of my happiest moments.

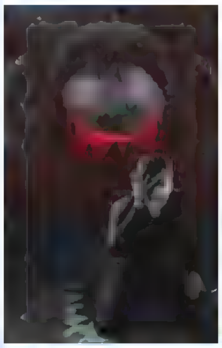
Name someone you really admire.
Anderson Cooper, guy seems legit.

What would you like to see happen in comics in the next 12 months?
The continued and well deserved rise of Image Comics. Images success and everything it stands for benefits anyone that truly loves the medium.

## CYBER FORCE #1

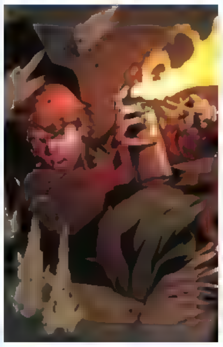
Carin Taylor, codenamed Velocity, has escaped from the CDI controlled Millennium City and is desperately trying to find the one man she believes can help her prevent the end of the world. When she runs a group of other CDI escapees, will they help her... or turn their backs? Thanks to the support of fans through Kickstarter and participating comic shops, you can get the first FIVE issues of CYBER FORCE at no cost.

## BEDLAM #1



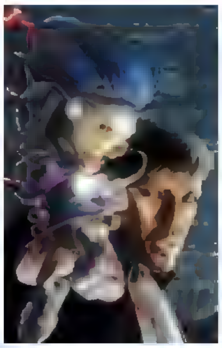
Fillmore Press was once Madder Red, a homicidal maniac and criminal overlord who terrorized the town of Bedlam for years. Then he got better. This is what happens next. A double-sized introduction to a blood-soaked cityscape of murder, mayhem, and mystery by NICK SPENCER (MORNING GLORIES, THIEF OF THIEVES) and RILEY ROSSMO (REBEL BLOOD, GREEN WAKE)

## MACGYVER: ALPHABET TO INFINITY #1



Welcome to the long-awaited return of MacGyver – co-written by his creator! When an old friend calls for help, Mac becomes involved in a web of industrial espionage, murder and a white-knuckle pursuit across the globe with a million dollar hit on his head! Can he live long enough to save the world – or has his luck finally run out?

## NON-HUMANS #1



Los Angeles, 2041 – it's twenty-six years after a NASA probe brought back a strange disease causing many of our familiar toy-like objects to come to life. This is a new world order where cute and fearsome creatures fight for their right to exist in a world that fears them – Blade Runner meets Toy Story

**TOP COW'S TOP-SELLING SERIES RETURNS IN A GROUND-BREAKING WAY!**
Top Cow celebrates its 20th anniversary with the return of the series that started it all: **CYBER FORCE**!
Top Cow founder **MARC SILVESTRI** (**THE DARKNESS**, INCREDIBLE HULK) returns to his first Image series as co-writer, art director and cover artist! Co-writer **MATT HAWKINS** (**THINK TANK**, **LADY PENDRAGON**) and artist **KHOI PHAM** (MIGHTY AVENGERS, DAREDEVIL) join **SILVESTRI** to bring you a contemporary re-imagining rooted in cutting edge, real world technology.

Carin Taylor, codenamed Velocity, has escaped from the CDI controlled Millennium City and is desperately trying to find the one man she believes can help her prevent the end of the world. When she runs a group of other CDI escapees, will they help her… or turn their backs?

Not content in pushing the envelope just in terms of story and art, Top Cow will be the first major US comic publisher to launch one of their biggest properties with top tier creators concurrently for both the traditional print market and exploding worldwide digital market for **FREE**. That's right: Thanks to the support of fans through Kickstarter and participating comic shops, you can get the first FIVE issues of **CYBER FORCE** at no cost.

Elle Peterssen is young, wealthy, and beautiful — and there is a reason someone tried to kill her. Only, Elle doesn't remember any of this. **MIND THE GAP**, the new series by the Eisner Award-winning writer **JIM McCANN** (RETURN OF THE DAPPER MEN), is a mystery with a paranormal twist. Elle, in a spirit form detached from her comatose body, must not only unravel the mystery of her attacker's identity and motive but her entire life as well. Who can she trust, in both this word and in the gap she exists in that lies between life and death? Filled with twists and turns, Elle's life isn't the only one turned upside down by the attack on her life. Deceit, secrets, and hidden agendas are everywhere in a story where everyone is a suspect, and no one is innocent. USAToday hails it as an "anxiously anticipated modern thriller."

# Mainstream Writers Come to Comics

**This month, *PREVIEWS* once again looks at the ever-growing crossover phenomenon that finds so-called "mainstream" writers and their works coming to Comics, either in the form of new and original works from authors new to the comics field, adaptations of mainstream books to comics or graphic novel format, or the mainstream authors themselves adapting their own works. From Stephen King and Dean Koontz to Phillip K. Dick and William Shatner(!), best-selling authors are finding an eager and appreciative audience in comics, and *PREVIEWS* has a few fine examples to add to your reading lists!**

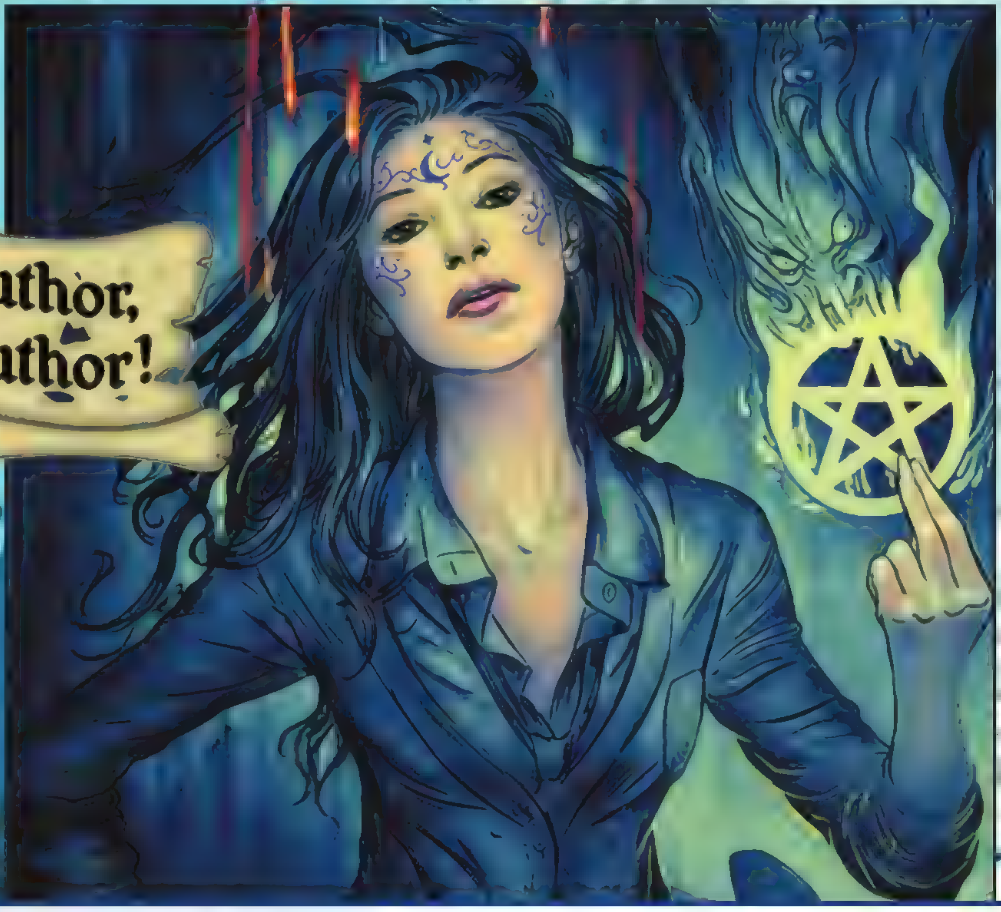
# Enter The House Of Night

## An Interview with P.C. Cast

**Author, Author!**



**P.C. Cast and her daughter, Kristin Cast**, may be relatively new names to the comics world, but to YA fans, they are the beloved co-authors of the incredibly successful series of novels set in the world of ***House of Night***. Now the Casts bring their high school vampires to comics with ***House of Night: Legacy*** (MAR120051/$14.99). Published by Dark Horse Comics, and tying directly into the prose series, the novel is adapted with writer Kent Dalian and featuring art by Joëlle Jones (*Troublemaker*, *Fables*).

Until recently, Zoey Redbird, the heroine of ***House of Night***, was an average high-school student worrying about grades, boys, and breakouts. But priorities have a way of changing when you are marked as a vampyre, enroll in the vampyre academy House of Night, and have to figure out a whole new social hierarchy, affinities for elemental magic, and physiological changes that make you crave blood.

In this story, taking place between scenes from *Betrayed* (the second book in the ***House of Night*** series), Zoey is in desperate need of guidance as she prepares to take over the elite student group known as the Dark Daughters. Surrounded by her group of devoted friends, Zoey turns to The Fledgling Handbook, a historical vampyre tome, in hopes of better understanding this big, new world of vampyrism.

## *PREVIEWS* spoke with P.C. Cast about the graphic novel, her comics background, and her plans for future graphic adaptations.

***PREVIEWS***: *What inspired you to bring the **House of Night** story to comics? Did it seem that you were branching out to a new audience?*

**P.C. CAST**: I've been a longtime fan of comics. I grew up reading old-school *Superman*, *The Incredible Hulk*, *Swamp Thing*, *Fantastic Four*, etc., etc. As an adult I still buy graphic novels on a regular basis. I didn't so much think of it as a new audience, probably because I'm such a fan of the genre, so I don't look at it like, *"Hey, comics readers don't know **House of Night** because all they read are comics,"* I just thought it would be cool to have my own comic!

**P**: *How did you come to work with Dark Horse Comics? What made you decide on them as a publisher?*

**CAST**: *I approached Dark Horse!* Their reputation is pro-author, pro-artist, and I respect their work. THEY PUBLISH JOSS WHEDON! What's not to love?

**P**: *How does the story fit into the novel series?*

**CAST**: ***House of Night: Legacy*** fits early in the series between books one and two (*Marked* and *Betrayed*). It complements what I've already written and enriches the world.

**P**: *Would this be a good introduction for someone who hasn't read the novels?*

**CAST**: *Absolutely!* I give enough background for new readers to understand the world, but not so much that ***House of Night*** fans will be rolling their eyes and bored.

**P**: *How was the story changed in adapting the narrative from novels to a comics medium?*

**CAST**: It's such an interesting process! My adapter, Kent Dalian, is a longtime friend and screenwriter. He and I worked together to build a bridge between prose and what really amounts to visual storytelling. So, the story wasn't really changed, just adapted and visually expanded.

**P**: *What are the liberties the comics medium allows you that you feel bring more to the plot and mood of the story?*

**CAST**: Well, I don't have to write "he said/she said" and dialogue tags! It all gets told with expression and setting, which I think is really cool.

**P**: *Has your novel audience sent you correspondence about your comics adaptation? What seems to be their overall impression? Did you find their comments insightful? And will they affect your future comics work?*

**CAST**: My ***House of Night*** fans have expressed feedback about the beauty of the art in particular. They also like learning the history behind the world. I agree with them!

**P**: *Are there plans for future **House of Night** comics?*

**CAST**: Yep! Stay tuned for more behind-the-scenes stories of some of your favorite characters!

**P**: *What are some of your favorite comics?*

**CAST**: I will eternally be a *Superman* fan. I also love all the early *Spawn*. And I am *sooooo* glad I can get my *Buffy/Angel/Spike* fix through graphic novels! Oh, and *Dollhouse*, too!

Gerry Alanguilan

"Gorgeously drawn, black-and-white artwork combines with outstanding storytelling in this modern-day fable of ethnic strife, identity, friendship, and family. "
Francisca Goldsmith - Booklist

"The gorgeous b&w art, full of lush pen work and strong expressions, takes what should be a self-evidently ludicrous proposition and somehow imbues it with plausibility, drawing readers into a brutal, blood-soaked tale of a transformed species and the outrage and savagery of their former owners. A peculiar but engaging work that deserves attention. "

### Undeath Row #1 (of 4)

Story: David Atchison    Art: Tommy Smith

In bad with the warden for whistle-blowing on dangerous medical tests on inmates, Brian "Deuce" Grey is about to be executed for murders he didn't commit. Then the power goes out. As Chief Executioner Patrick O'Connor tries to find what's wrong, reports come in of the drug-test patients rioting. The drugs are mutating prisoners and spreading like a virus. Deuce and O'Connor's only hope of survival is to ally with the only other uninfected people on the prison island: the ruthless killers locked in isolation on Death Row. Written by David Atchison, of the Occult Crimes Taskforce, with Rosario Dawson, the series features the artwork of Tommy Smith of Jolly Rogers studio.

### HEREVILLE: HOW MIRKA MET A METEORITE HC

*(W/A/CA) Barry Deutsch*

Mirka is back, and she's still the only sword-brandishing, monster-fighting Orthodox Jewish girl in town. Or so she thinks. When a misguided troll aims a meteor at the witch's house, the witch grabs hold of the closest thing possible to transform the flying, flaming rock — and that would be Mirka's hair. The meteor is changed, all right: it's now Mirka's identical twin. Doppelganger Mirka, vowing to be a better version of the real girl, sets out to charm all of Hereville, including Mirka's own family. Our heroine challenges the meteor girl to a three-part contest — and the loser will be banished from Hereville forever! (STK473277) (C: 0-1-1)

ALL WORK AND NO PLAY

### BIG NATE: ALL WORK AND NO PLAY TP

*(W/A/CA) Lincoln Peirce*

Already a *New York Times*-bestseller, it's two firsts in one for a *Big Nate* book! The first Sundays-only and first full-color *Big Nate* collection both debut in *Big Nate: All Work and No Play*. Enjoy more than two years of Sunday cartoons, portraying the colorful life of Nate Wright. This spunky eleven-year-old holds the school record for detentions and is in little chance of losing that distinction, but that doesn't stop him from dreaming big! Equipped with a No. 2 pencil and the unshakable belief that he is No. 1, Nate fights a daily battle against overzealous teachers, undercooked cafeteria food, and all-around conventionality. ### GET FUZZY TREASURY: THE STINKING TP

*(W/A/CA) Darby Conley*

It's one strange little household there in the apartment that human Rob Wilco, feline Bucky Katt, and the lumpy canine Satchel share. Rob, the mild, can barely manage Bucky, who some might term deranged, and Satchel, the ever-submissive pooch. In this treasury, which includes all the cartoons from the two most recent collections, including Masters of the Nonsenseverse, Darby Conley once again morphs the human-pet relationship into one that humorously reminds us of our own weird human relationships. ### JOHN HENRY: THE STEAM AGE PREVIEW BOOK

*(W/A) Dwayne Harris*

John Henry, a former slave, wasn't about to let some new-fangled steam hammer replace his ability to earn an honest wage as a steel driving man. He'd beat that machine, or die with his hammer in his hand. We all know the outcome of that legendary contest. In this alternate history, however, John doesn't die in his heroic effort, but instead slips into a coma, only to awaken to his worst nightmare. A robotic uprising has occurred, and a new age has dawned — the Steam Age. Now the only thing that can free the human race from the very machines they've created is John and his hammer! *John Henry: The Steam Age* is an exciting re-imagining of the story of John Henry in a steampunk setting, and this preview will introduce readers to the exciting graphic novel coming this fall. ## THE FRAZETTA SKETCHBOOK HC

### Vanguard Productions

Tarzan, Conan, and Death Dealer are just some of the characters brought to life and defined by the talents of Frank Frazetta. Whether right handed or left, his ability to draw buxom beauties and muscular barbarians showed us why Frank Frazetta is considered the premiere illustrator coming out of comic books.

Planned shortly before his death, *The Frazetta Sketchbook* features the largest selection of previously unpublished Frazetta ever collected in book form. This is a chance to see rare, unpublished EC *Came The Dawn* art; painting preliminaries of his famous barbarians, babes, and beasts; pen and ink sketches, pencil drawings; unpublished nude life drawings done in the EC days with his "Fleagle Gang" pals Al Williamson, Angelo Torres, Ralph Mayo; and more.

Design by Randall Dahlk, winner of an Eisner for his design work on IDW's *The Rocketeer*, this book will be a welcome addition to your library of books featuring classic fantasy and comic book art.

I'll even be splurging on the ***PREVIEWS*** Exclusive edition with the additional 16 pages of material not available in the standard hardcover and reserving room for it on my shelves right by Vanguard's *White Indian* and *Johnny Comet* hardcovers.

## THE HIVE

### Pantheon

In this tense continuation of last year's darkly fragmented *X'ed Out*, protagonist Doug slowly circles a narrative void—the unexplained source of his head wound. Even as he retreats to a menial job in his grotesque TinTin-inspired fantasy world, Doug's ominous reality is revealed through pages of flashbacks and dreams. One character presents Doug with a comic book, pleading, "It's pretty obvious that something really, really awful happened, but what?" This is the core problem of Doug's story, one he struggles to address indirectly rather than accept as real.

Horror's thrall is the need to see or experience what repels us, and Burns' story is shaping up to be a virtuoso effort in that field. Doug is indirectly battling his own coping mechanism, forcing himself to look behind a curtain that hides something terrible. There are clues readers follow, with growing dread, as we dissect the symbolism of Doug's fantasy. Like a dirty, malformed mash-up of *Memento* and *Through the Looking Glass*, Burns' new work is one nightmare that will only reveal its demons through waking.

# NIGHT OF THE LIVING DEAD

## NIGHT of the LIVING DEAD: AFTERMATH #1

**Retail Price:** $3.99 - **Writer:** David Hine - **Art:** German Erramouspe

**MR, FC, 32pp, ongoing monthly:** This Halloween, David (Civil War X-Men) Hine defines a horrific era of fear with the new ongoing Night of the Living Dead! Set in the excess of the late 1970s we follow the world as it has evolved with the zombie threat, a disaster they thought they had under control. When the city is locked down with quarantine, a group of survivors finds out the hard way that even with the undead, what happens in Vegas stays in Vegas. And in this case it means a female punk rock zombie fetishist has to grow up in a hurry when her hedonistic boyfriend is bitten by a real ghoul. No more fun and games – it's time for a horror tale that rips you out of the safe zone with a fast paced violent survival story. Tired of no shambling ghouls in your favorite undead comics? It is the next evolution in the undead and you can't afford to miss out on this year's biggest zombie chronicle! Available with Regular Wraparound, or Gore cover by Raulo Caceres, a special Terror Retailer Incentive by Caceres, and don't miss the ultra-limited, fully-painted, original art cover on this month's NLD Day of the Undead graphic novel that is also a Retailer Incentive for this issue

**DESCRIPTION:** The best-selling Crossed collections continue here with Vol 4, collecting Crossed: Badlands #1-9. Two tales of terror from the most vicious landscape in modern horror, written by groundbreaking graphic novelists Garth Ennis and Jamie Delano! When the worldwide outbreak transforms most of humanity into murderous psychopaths, the uninfected survivors are driven by desperation to the very brink of sanity and morality. In Scotland, a young man devastated by the traumatic death of his wife struggles to survive the roving bands of Crossed at his heels. Meanwhile, three small groups of survivors in the marshy Florida Everglades – haunted by personal demons, driven by primal fears and all-too-human desires – find themselves on a collision course guaranteed to leave bloody, fiery destruction in their wake... ## THE AMERICAN COMIC BOOK CHRONICLES 1960-1964

### Twomorrows Publishing

STAFF picks

With all the reboots, zero issues, identity reconfigurations, it's sometime more entertaining to read about comics than actually read a comic. I've always enjoyed reading about the history of comics going back to the days of mimeographed copies of *Alter Ego* to offset printed 'zines like *Masquerader* and *Heroes Hangout*.

Twomorrows Publishing is introducing a new series of full-color hardcovers, *The American Comic Book Chronicles*, that covers the history of comics decade by decade and year by year, no hot tub or TARDIS required.

The first volume, written by John Wells, covers the first half of the 60s, an era that set the groundwork for the rebirth of super-hero comics. The "return" of heroes like Green Lantern, Hawkman, and others where new identities and origins were created to update a hero. The JSA gave way to the Justice League of America, and Stan and Jack began making waves and history as Cadence, soon to become better known as Marvel Comics.

Yet with the return of heroes Dell comics were still good comics, *Sugar & Spike* were still talking baby talk, Pop's Chock'lit Shoppe was still feeding Jughead and Betty, Veronica and Archie were still slurping out of that same malted.

I am so looking forward to the first book in this series, *The American Comic Book Chronicles 1960-1964* as it was a time of change in America and a time of change in entertainment and for some of us considered "fanboys" it was time for the biggest changes in our hobby.

I've never been disappointed in any books or magazines coming from Twomorrows and I'm all read yto sit back a read about the pre Mylar, slab, graded days of comics when the big two meant Huntley & Brinkley, Lucy & Ricky, Maris & Mantle, but definitely Stan and Jack.

# CAROL LAY'S ILLITERATURE VOL. 1 HC

**112 PAGES • B&W • $14.99 • STORY AND ART: CAROL LAY • (INTRODUCTION BY KIM DEITCH)**

ILLITERATURE...a 2-dimensional world as vast as a page of Bristol board and as timeless as a Las Vegas casino. The middle ground between literature and illiteracy, between science and superstition, between the hollows of man's horrors and the heights of his hilarity. This is the dimension of Carol Lay's imagination, the uncanny land of ILLITERATURE. From the Underground era to THE SIMPSONS comic book to her graphic novel THE BIG SKINNY, Carol Lay has been writing and drawing amazing stories for years. Her STORY MINUTE strip, which gained a devoted following while appearing on Salon.com, is collected here for the first time, in this first in a series of handsome hardcover volumes. Includes an introduction by Kim Deitch.

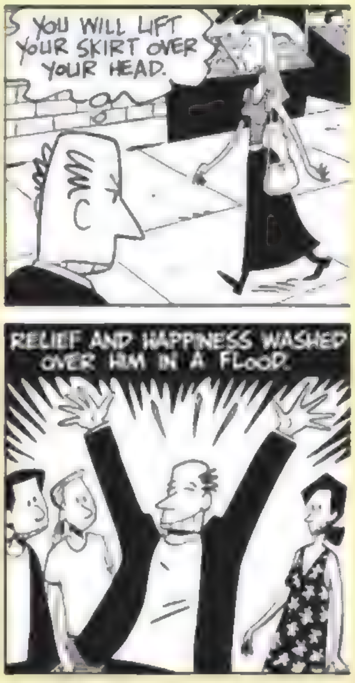
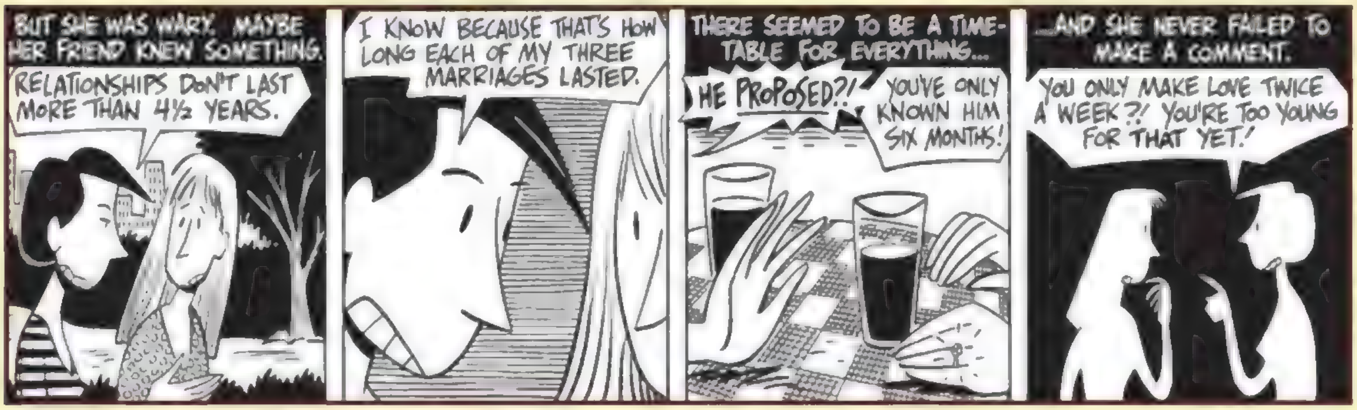
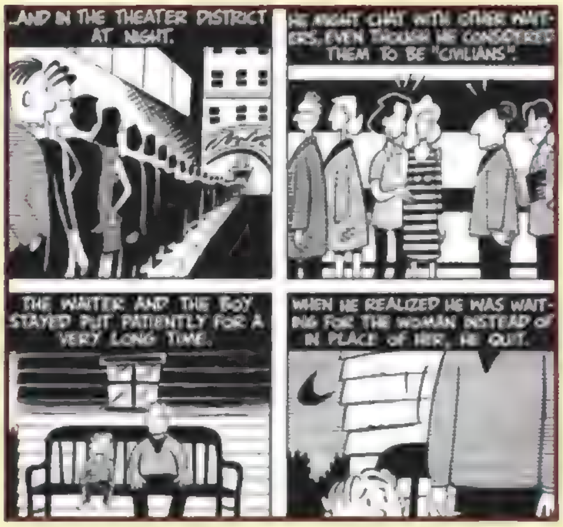
STORY MINUTES VOL. 1
BY KIM DEITCH



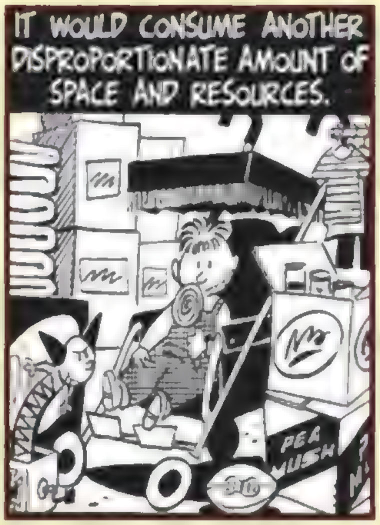
YOU WILL LIFT YOUR SKIRT OVER YOUR HEAD.
RELIEF AND HAPPINESS WASHED OVER HIM IN A FLOOD.



BUT SHE WAS WARY. MAYBE HER FRIEND KNEW SOMETHING.
RELATIONSHIPS DON'T LAST MORE THAN 4½ YEARS.
I KNOW BECAUSE THAT'S HOW LONG EACH OF MY THREE MARRIAGES LASTED.
THERE SEEMED TO BE A TIME-TABLE FOR EVERYTHING...
HE PROPOSED?!
YOU'VE ONLY KNOWN HIM SIX MONTHS!
...AND SHE NEVER FAILED TO MAKE A COMMENT.
YOU ONLY MAKE LOVE TWICE A WEEK?! YOU'RE TOO YOUNG FOR THAT YET!



...AND IN THE THEATER DISTRICT AT NIGHT.
HE MIGHT CHAT WITH OTHER WAITERS, EVEN THOUGH HE CONSIDERED THEM TO BE "CIVILIANS".
THE WAITER AND THE BOY STAYED PUT PATIENTLY FOR A VERY LONG TIME.
WHEN HE REALIZED HE WAS WAITING FOR THE WOMAN INSTEAD OF IN PLACE OF HER, HE QUIT.



IT WOULD CONSUME ANOTHER DISPROPORTIONATE AMOUNT OF SPACE AND RESOURCES.

SWEENEY TODD
THE DEMON BARBER OF FLEET STREET
THE GRAPHIC NOVEL

### SWEENEY TODD, THE DEMON OF FLEET STREET: THE ORIGINAL TEXT GN

*(W) Sean Michael Wilson*
*(A/CA) Declan Shalvey*

No one knows for sure if Sweeney Todd actually existed, but this story, taken from a serialization in a penny dreadful from 1846, was the first official record of the terrible crimes committed by the Demon Barber of Fleet Street. Gory? No! What's particularly good about this adaptation is that none of the horror is to be seen — making this a truly wonderful version of a brilliant book. (STK474027) (C: 0-1-2)

MOTHER TERESA

### MOTHER TERESA: SAINT OF THE SLUMS GN

*(W/A/CA) Lewis Helfand*

Born in Bosnia, Agnes Bojaxhiu found her calling in the Church when she heard stories of Bengali missionaries in her teenage years. Her journey would take her first to Ireland and then to India where she became known as Mother Teresa, bringing the word of Christ to millions as the founder of a new religious order, the Missionaries of Charity. Lewis Helfand explores the life and work of this beloved figure in *Mother Teresa: Saint of the Slums*. (STK473746) (C: 0-1-2)

## CLASSICAL COMICS

### AN INSPECTOR CALLS: THE ORIGINAL TEXT GN

*(W) Jason Cobley, J.B. Priestley*
*(A/CA) Will Volley*

A respectable household is shocked when a strange police inspector visits them shortly after dinner — and proceeds to unravel their prejudices and lies. Through this almost surreal murder-mystery, Priestley interweaves social comment with a gripping story that twists and turns every few pages. (STK474028) (C: 0-1-2)

ORIGIN OF EVIL PART 1! Ernest Fairchild was a kind and gentle soul...until one day something in him snapped, leading him to one of the most notorious killing sprees in American history. With 665 kills to his name, "Evil Ernie" requires ONE more murder to complete the ritual he started and seal his deal with the Devil. Problem is: he's just been EXECUTED! What led an ordinary boy to become a leather-clad angel of death? How does he wield such blasphemous power? And what is the secret behind his hideous smiley-face button? This October, you may hate the sin, but you'll LOVE the SINNER! Jesse Blaze Snider (HULK: LET THE BATTLE BEGIN) and JASON CRAIG (FREDDY VS. JASON VS. The Shadow is known for the mystic power which allows him to cloud men's minds and read their hearts. But what happens when this power fails him? After the Shadow fails to stop a routine mugging, he travels to the Far East with his pilot and sidekick WWI ace Miles Crofton. In Nepal, he hopes to reconnect with his old masters and to consult with them about what could be amiss with his powers. Instead, he finds opium smugglers. As always, The Shadow faces danger... but he must also look within himself.

Valeros and his companions have captured one of the cultists behind the strange magic that grips the goblin tribes of Varisia, but their prisoner may not be as helpless as they seem. Making matters worse, the group must cross through the haunted cemetery known as Pauper's Grave, luring them into the paralyzing touch of flesh-eating ghouls.

Paizo's incredible award-winning fantasy world, fiction line and tabletop RPG is now the ultimate fantasy comic from Dynamite Entertainment. Includes over 5 pages of character profiles and Pathfinder RPG game statistics, plus an EXCLUSIVE removable, playable tactical map and poster.

The battle for Earth's survival continues! Mankind must depend upon champions including Red Sonja, Vampirella, Dracula, Pantha, Herbert West the Reanimator and Athena to stand against sorcerer Kulan Gath and his doomsday gods! Will our heroes have to sacrifice themselves in order to save the world? Only the all-star team of writer Ron Marz and artist Walter Geovani know for sure!

**PRAISE FOR PROPHECY #1**

**"9 out of 10"** - NEWSARAMA

**"Marz works his disparate cast in the best way he can and the outcome is a start that intrigues and hooks. This is a cheesecake book with high concept and plenty of characters we already love and it lives up to that selling line."** - COMIC BOOK RESOURCES

**""This was a fantastic issue and a great start to this event. What I liked most about this issue is that it's easily accessible to new readers and writer Ron Marz does a great job explaining the world and characters to new readers. The art team on this book is wonderful. There's a lot of great detail and the colors really pop off the page. This is one solid cross over so far."** - COMIC VINE

**"Fans who already love what Dynamite Entertainment is doing will love this event as it enables them to see some of their favorite characters interact in what could be a game changing event for the line. If you are new to Dynamite this is the perfect book to wet your appetite and experiment with what they have to offer. Where else in one book are you going to get mystery, time traveling, end of the world prophecies, female warriors, and vampires in one read? This is one event you can't afford to miss."** - STASH MY COMICS

The Demon finally has Sara Pezzini and the Witchblade where he wants them: in the pits of hell. To get back home to her family, Sara must fight through a legion of the Witchblade's victims. She must also finally defeat the Demon himself. The Demon is just as motivated. At stake is a place in the hierarchy of hell's bureaucracy, vs. an eternity of perpetual torment. All-out, hellish action in the final chapter in this twisted tale of revenge and redemption.

An original comic book series created by filmmaker Marcus Nispel (Friday the 13th, Texas Chainsaw Massacre).

Chosen is a high-octane action thriller about a Detroit kid, the least likely candidate to be the latest reincarnation of an Eastern spiritual master whose tradition goes back for generations. Despite all outward contradictions, the teen's powers – refined over centuries worth of incarnations – start to manifest in him and propel him onto a journey that starts in the Urban grit of Detroit's 8 Mile and take him all the way to the even grittier underground gangland of Mumbai.

## FLASH GORDON: ZEITGEIST VOL. 1 TP

*200+ pages FC • $29.99 • Teen + • (C:0-1-2)*
Written by ***ERIC TRAUTMANN*** • Art by ***DANIEL INDRO, RON ADRIAN***
Cover by ***ALEX ROSS***

A classic of science-fiction is reborn in Flash Gordon: Zeitgeist. Inspired by Alex Raymond's legendary tales of invasion, action, and romance on the distant planet Mongo, and under the artistic supervision of renowned artist Alex Ross, Zeitgeist returns Flash Gordon to his two-fisted, thrill-packed roots.

The year is 1934, and Earth is attacked by a powerful alien invasion force, led by the sinister, all-seeing Ming the Merciless. And this time, he does not fight alone. Allied with the sinister spymaster Klytus, his exotic and treacherous daughter, Princess Aura... and Adolf Hitler! Three valiant humans — Iconic hero Flash Gordon, the beautiful, tough, determined Dale Arden, and the brilliant scientist Hans Zarkov — are plucked from our world and rocketed into another universe of fearsome creatures, noble and savage alien species, ancient science, and titanic threats.

**"This is a promising start to Dynamite's latest attempt to revive a classic comic icon."** - IGN

**"Flash Gordon: Zeitgeist is an exceptional introduction to the series, one that feels at home on Earth and in outer space. Both writer Eric Trautmann and artist Daniel Indro perfectly mix that fantastic and wicked world of Ming the Merciless, with the nostalgic and hopeful one of Flash Gordon."** - BROKEN FRONTIER

**"...Dynamite has done it again with this revival of an old familiar franchise. I can't wait to read more."** - COMIC VINE

**"Bottom line: If you like sci-fi and 1930's-40's period drama, then this book is for you. Highly recommended!"** - COMIC HYPE

*Pippi Moves In* marks the first time that the legendary *Pippi Longstocking* comics by famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey.The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine *Humpty Dumpty* in 1957-1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. (STK474164) (C: 0-0-2)

**MOOMIN: THE COMPLETE LARS JANSSON COMIC STRIP VOLUME 7 HC**
*(W/A/CA) Lars Jansson*
In this volume of the complete Lars Jansson comic, Lars's work, already quite polished, takes on a joie de vivre heretofore unseen. The Moomins rebel once more against hibernation, receive an inheritance they're unprepared for, find colonization a bit of a bore, and decide once and for all that seashells are much prettier than gold nuggets. With familiar jabs aimed at Moomin leg length and somewhat less familiar ones aimed at capitalism and colonial politics, Jansson's comics are timeless treasures for the whole family. **MOOMIN: THE COMPLETE TOVE JANSSON COMIC STRIP HC**
*(W/A/CA) Tove Jansson*
Tove Jansson is revered around the world as one of the foremost children's authors of the twentieth century for her illustrated chapter books regarding the magical worlds of her creation, the Moomins. The comic strip adventures of the Moomins were syndicated in newspapers around the world with millions of readers in forty countries. This is the first time the strip has been published in any form in North America and has deservedly placed Jansson among the international cartooning greats of the last century. (STK318429)

### WHO WILL COMFORT TOFFLE? A TALE OF MOOMIN VALLEY HC

*(W/A/CA) Tove Jansson*

This is the timeless, magical tale of the wistful wallflower, Toffle, who is too shy to speak to anyone and too fearful of the world he is watching from afar. Lonely and sad, Toffle runs away from home and watches the magical cast of Moominvalley celebrate and enjoy life. This is the glorious reprinting of the classic children's book, complete with a loving translation by acclaimed British poet, Sophie Hannah. (STK423642)

### ABANDON THE OLD IN TOKYO TP

*(W/A/CA) Yoshihiro Tatsumi*

*Abandon the Old in Tokyo* continues to delve into the urban underbelly of 1960s Tokyo, exposing not only the seedy dealings of the Japanese everyman but Yoshihiro Tatsumi's maturation as a storywriter. Many of the stories deal with the economic hardships of the time and the strained relationships between men and women, but do so by means of dark allegorical twists and turns. A young sewer cleaner's girlfriend has a miscarriage and leaves him when he proves incapable of finding higher paying work. (STK460064)

### GOOD-BYE TP

*(W/A/CA) Yoshihiro Tatsumi*

Drawn in 1971 and 1972, these stories expand Yoshihiro Tatsumi's vocabulary for characters contextualized by themes of depravity and disorientation in twentieth-century Japan. Some of the tales focus on the devastation the country felt as a result of World War II: in one story a man devotes twenty years to preserving the memory of those killed at Hiroshima, only to discover a horrible misconception at the heart of his tribute. Tatsumi's characters muddle through isolated despair and fleeting pleasure to live out their darkly nuanced lives. (STK460067)

## HIT-GIRL SCHOOL GIRL STATUE
## RED SKIRT AND TIE VARIANT EDITION

Approx. 4.5"W x 4.5"D x 9.5"H • Sculpted by Tom & Joy Snyder • (C:0-1-3)

**SPECIAL INTRODUCTORY PRICE OF $289.99**

Get the Hit-Girl Red-Skirt and Tie Variant Statue!!! From Mark Millar and John Romita Jr.'s Kick-Ass, Hit Girl is a lethal martial artist and weapons expert; she has been trained to fight crime practically since her childhood. Constantly on the run, Hit-Girl's upbringing and social life have been limited to her training and crime fighting and she is a very effective vigilante superhero. She has been described as a mix between John Rambo and Polly Pocket. Hit-Girl has been convinced by Big Daddy that she is out to avenge her mother. She longs for her father and her to have a normal life as a "regular family" once her mother has been avenged. In the film adaptation, Mindy is played by Chloe Moretz. Standing 9 ½ inches tall to the tip of her gun, Hit Girl has been sculpted and painted in meticulous detail by Joy & Tom Studios

Offered at the introductory price of $289.99 for a limited time! Returns to regular MSRP of $349.99 after September 30th

## PUNISHER WAR ZONE #1 SIGNED BY JOHN ROMITA SR!

The Punisher: War Zone returns in October with a new #1! With the Marvel Universe still in flux from the climactic battles in Avengers Vs. X-Men, what does the Punisher have in store for the Marvel Universe. At time of writing, thus far, images depicting artifacts from the Marvel Universe -- including Thor's shattered hammer and Wolverine's burning claws and Captain America's bloodied shield and Iron Man's dented, bloody faceplate and Spider-Man facing the business end of a rifle -- were revealed with the words "This Is War" superimposed below the image

Signed by one of the most important creators in The Punishers history - John Romita Sr. The man who was Marvel's Art Director for many years, as well as the man who co-created and/or designed over 150 characters, including The Punisher!

Signed Edition..........$69.99

### BETA TESTING THE APOCALYPSE

**by Tom Kaczynski**

$19.99 / SC / 136 pgs / FC / 6.5 x 9.5

While Tom Kaczynski's comics share many of the obsessions found in the prose work of J.G. Ballard, Kaczynski's visual storytelling adds an architectural dimension that the written word alone lacks. *Beta Testing The Apocalypse* includes 10 stories, depicting the political and technological structures and spaces we inhabit that define the limits of who we are and the freedoms we presume to enjoy. Tom Kaczynski is a new, unique voice in the comic firmament not to be missed.

**FEATURED ITEM**

### JULIO'S DAY

**by Gilbert Hernandez**

$19.99 / HC / 104 pgs / BW / 7.25 x 10.5

Originally serialized in *Love and Rockets* Vol. II but never completed until now, *Julio's Day* is Gilbert Hernandez's latest graphic novel, a masterpiece of elliptical, emotional storytelling that traces one life through a series of enthralling vignettes. While *Julio's Day* has some elements in common with Hernandez's *Palomar* cycle, this is very much a standalone story that will help cement his position as one of the strongest and most original cartoonists of our time.

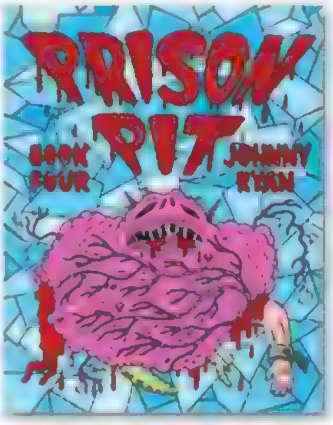
**SPOTLIGHT ON**

### DELPHINE

**by Richard Sala**

$24.99 / HC / 128 pgs / FC / 7.25 x 10

Richard Sala (*The Hidden*) takes the tale of Snow White and stands it on its head, retelling it from Prince Charming's perspective in a contemporary setting. This twisted tale includes all the elements of terror from the original fairy tale with none of the insipid saccharine coating of the Disney animated adaptation. Yes, there will be blood.



### PRISON PIT BOOK 4

**by Johnny Ryan**

$12.99 / SC / 104 pgs / BW / 6.5 x 8.5

Johnny (*Angry Youth Comix*) Ryan's hugely popular sci-fi-prison-planet-gore-fest-a-thon continues on its bloody trail of mayhem as our hero plots his escape using any means necessary. With its first two installments already in second printings, *Prison Pit* is building a solid fan base and stands as an utterly unique comic book that has to be seen to be believed.

HEADS OR TAILS

### HEADS OR TAILS

**by Lilli Carré**

**$22.99 / 200 pgs / SC / FC / 7 x 9**

The creator of 2008's critically acclaimed graphic novel *The Lagoon* is back with a stunningly designed collection of some of the most poetic and confident short fiction being produced in comics today. The stories in *Heads or Tails* display a virtuosic breadth of visual styles and color palettes, each in perfect service of the story, and range from experimental one-pagers to short masterpieces.

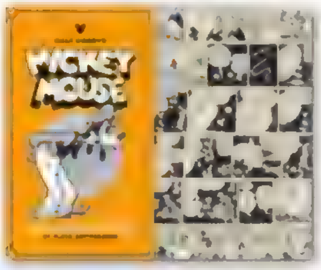
Ralph Azham

### RALPH AZHAM VOL. 1: "WHY WOULD YOU LIE TO SOMEONE YOU LOVE?"

**by Lewis Trondheim**

**$14.99 / HC / 96 pgs / FC / 10.5 x 6.25**

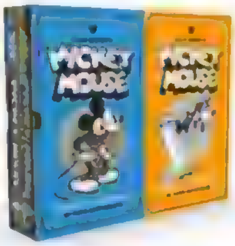
The debut of a hilarious, epic fantasy series from the acclaimed co-author of *Dungeon*. Witty and fleet-footed like all of Trondheim's work, madly inventive in terms of characters, creatures, and events, *Ralph Azham* is scheduled to run for at least six volumes and is presented in a distinctive "landscape" format.



### WALT DISNEY'S MICKEY MOUSE VOL 4: "HOUSE OF THE SEVEN HAUNTS"

**by Floyd Gottfredson; Edited by David Gerstein with Gary Groth**

**$29.99 / HC / 280 pgs / PC / 10.5 x 8.5**



### WALT DISNEY'S MICKEY MOUSE VOLS 3 & 4 COLLECTORS BOX SET

**by Floyd Gottfredson; Edited by David Gerstein with Gary Groth**

**$49.99 / HC / 560 pgs / PC / 10.25 x 8.5**

Fantagraphic's celebratory series of the works of Floyd Gottfredson continues as Mickey battles ghosts and discovers an "Island in the Sky." Lovingly restored from Disney's original negatives and proof sheets, *House of the Seven Haunts!* also includes more than 50 pages of spooky supplementary features! You'll enjoy rare behind-the-scenes art, vintage publicity material, and fascinating commentary by a haunted houseful of Disney scholars.

As usual, a box set combining this latest volume with the previous, complete with slipcase, is available at a bargain price.

GIL KANE'S

### GIL KANE'S AMAZING SPIDER-MAN: ARTIST'S EDITION HC
IDW Publishing

IDW's series of *Artist Edition* books have been lauded by individuals with far more industry cred than myself, but nevertheless here I sit, composing yet another praise laden passage in an attempt to entice anyone who hasn't gotten their mitts on one of these books to pick one up and take it for a spin. It's immediately evident that these books are in a league of their own. Indeed, once you go *Artist Edition*, it's hard to go back.

Fabulous formatting aside, this tome collects some of the greatest *Spider-Man* material ever published. *The Night Gwen Stacey Died* alone would be worth the price of admission, but the book also collects the landmark "drug" issue that circumvented the Comic's Code Authority. Additionally, the six-arm Spider-Man transformation is one of the first tales of the webhead that I remember reading and I haven't stopped since.

To be able to revisit these seminal stories in their full 11" x 17" glory not only makes me drool with anticipation as a comics fan, but their sheer size is enough to make any grown adult feel like a kid again! Make mine *Artist Edition*!

### GAME OF THRONES VOLUME 1 GN
Bantam Books

*Game of Thrones* is one party I'm glad, even though I was late to it, that I didn't miss it entirely. I began watching the show in the beginning of season two and didn't entirely pay too much attention because I hadn't seen season one so nothing made sense to me. After buying season one on Blu-Ray, and re-watching season two, I'm in love with everything *Game of Thrones*, especially the graphic novel. This hardcover, a collection of the Dynamite Entertainment single issues, adapts the original fantasy novel written by George R. R. Martin. I missed out on the first few issues due to my lack of interest in the series (see a pattern developing?) but now I am quite enjoying the release of the graphic novel so I can read the story of Westeros and its dynastic struggles from the very beginning.

**CHARLES BURNS'**
**THE HIVE HC**
*(W/A/CA) Charles Burns*
From the creator of *Black Hole*, the second part of a new epic masterpiece of graphic horror in brilliant, vivid color. Much has happened since we last saw Doug, the Tintin-like hero from *X'ed Out*. Confessing his past to an unidentified woman, Doug struggles to recall the mysterious incident that left his life shattered, an incident that may have involved his disturbed and now-absent girlfriend, Sarah, and her menacing ex-boyfriend. Doug warily seeks answers in a nightmarish alternate world that is a distorted mirror of our own, where he is a lowly employee that carts supplies around the Hive. BLACK HOLE
CHARLES BURNS

**BLACK HOLE SC (NEW PRINTING)**
*(W/A) Charles Burns*
Winner of the Eisner, Harvey, and Ignatz Awards. Suburban Seattle, the mid-1970s. A strange plague has descended upon the area's teenagers, transmitted by sexual contact. The disease is manifested in any number of ways — from the hideously grotesque to the subtle (and concealable) — but once you've got it, that's it. What unfolds isn't the expected battle to fight the plague or even to treat it. Instead, we witness the nature of high school alienation itself. (STK393194)

Doug is having a strange night. A weird buzzing noise on the other side of the wall has woken him up, and there, across the room, next to a huge hole torn out of the bricks, sits his beloved cat, Inky, who died years ago. What's going on? Drawing inspiration from such diverse influences as Hergé and William Burroughs, Charles Burns has given us a dazzling spectral fever-dream — and a comic-book masterpiece. ### GAME OF THRONES VOLUME 1 GN

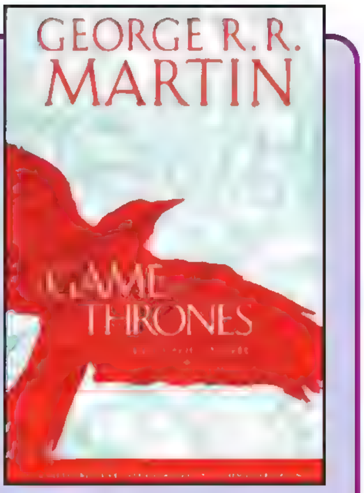
**Bantam Books**



*Game of Thrones* is one party I'm glad, even though I was late to it, that I didn't miss it entirely. I began watching the show in the beginning of season two and didn't entirely pay too much attention because I hadn't seen season one so nothing made sense to me. After buying season one on Blu-Ray, and re-watching season two, I'm in love with everything *Game of Thrones*, especially the graphic novel. This hardcover, a collection of the Dynamite Entertainment single issues, adapts the original fantasy novel written by George R. R. Martin. I missed out on the first few issues due to my lack of interest in the series (see a pattern developing?) but now I am quite enjoying the release of the graphic novel so I can read the story of Westeros and its dynastic struggles from the very beginning.

**NBM/Papercutz**

If you are a fan of Nancy Drew and you've enjoyed her detective stories over the years, then you will love this new reboot of the character with the *Nancy Drew and the Clue Crew* series. Drawn by one of Archie Comics legendary artists, Stan Goldberg, this series places Nancy Drew & The Clue Crew at a younger age in their life making this a great book for kids and adults alike. Once I picked up this comic I couldn't put it down. The art was phenomenal, the writing was awesome, and it was just great overall. I highly enjoyed it and recommend this to all ages out there.

**AUGUST MOON GN**
*(W/A/CA) Diana Thung*
The townspeople of Calico believe in the legend of the Soul Fire, about orbs of light sometimes seen in the night sky, believed to be the souls of dead ancestors watching over the town. These "fireballs" are actually the light from the lanterns carried by mysterious creatures called The Rabbits. Under the cover of night, they leap across rooftops with Jaden, a peculiar street kid who, when asked about his home, simply points to the moon. Soon The Monkeys arrive in town to demolish the forest, and it falls on Jaden to protect Calico and The Rabbits. When eleven year-old Fi meets Jaden, she becomes entangled in Jaden's battle against The Monkeys. She is also introduced to a world of secrets and things that seems impossible. (STK473509) (C: 0-0-2)

## GIL KANE'S AMAZING SPIDER-MAN: ARTIST'S EDITION HC

### IDW Publishing

IDW's series of *Artist Edition* books have been lauded by individuals with far more industry cred than myself, but nevertheless here I sit, composing yet another praise laden passage in an attempt to entice anyone who hasn't gotten their mitts on one of these books to pick one up and take it for a spin. It's immediately evident that these books are in a league of their own. Indeed, once you go *Artist Edition*, it's hard to go back.

Fabulous formatting aside, this tome collects some of the greatest *Spider-Man* material ever published. *The Night Gwen Stacey Died* alone would be worth the price of admission, but the book also collects the landmark "drug" issue that circumvented the Comic's Code Authority. Additionally, the six-arm Spider-Man transformation is one of the first tales of the webhead that I remember reading and I haven't stopped since.

To be able to revisit these seminal stories in their full 11" x 17" glory not only makes me drool with anticipation as a comics fan, but their sheer size is enough to make any grown adult feel like a kid again! Make mine *Artist Edition*!

NAUSICAÄ
HAYAO MIYAZAKI

### Nausicaä of the Valley of the Wind Deluxe Edition Hardcover Box Set

by Hayao Miyazaki

In a long-ago war, humankind set off a devastating ecological disaster. Thriving industrial societies disappeared. The earth is slowly submerging beneath the expanding Sea of Corruption, an enormous toxic forest that creates mutant insects and releases a miasma of poisonous spores into the air. At the periphery of the sea, tiny kingdoms are scattered on tiny parcels of land. Here lies the Valley of the Wind, a kingdom of barely 500 citizens, a nation given fragile protection from the decaying sea's poisons by the ocean breezes, and home to Nausicaa.

### Virus: The Day of Resurrection
### by Sakyo Komatsu

In this classic of Japanese SF from 1964, American astronauts on a space mission discover a strange virus and bring it to Earth, where rogue scientists transform it into a fatal version of the flu. After the virulent virus is released, nearly all human life on Earth is wiped out save for fewer than one thousand men and a handful of women living in research stations in Antarctica. Then one of the researchers realizes that a major earthquake in the now-depopulated United States may lead to nuclear Armageddon...

*(W) Stan Lee (A/CA) Tamon Ohta*
Joey lives with his grandmother in Central City, Los Angeles. Joey's a bit scrawny for his age. He's not athletic or much of a bookworm. Actually he doesn't fit in anywhere, but he copes when not busy at work. Like many impressionable teens, Joey thinks material goods can bring him good fortune, and given his life situation he could really use some luck. Unfortunately, he cannot afford to buy the popular toy robot Heybo on his meager income. His luck changes when he picks up a broken down Heybo abandoned by a school bully. In Joey's eyes this used bot could be a source of strength. It could even turn him into a hero! (STK473388) (C: 0-1-2)

### SOULLESS: THE MANGA GN

*(W) Gail Carriger (A/CA) Rem*

Gail Carriger's best-selling tale of vampires, werewolves, and parasols comes to life in this steampunk-fueled adaptation! Alexia Tarabotti is laboring under a great many social tribulations. First, she has no soul. Second, she's a spinster whose father is both Italian and dead. Third, she was rudely attacked by a vampire, a terrible breach of social etiquette. Where to go from there? From bad to worse apparently, for the appalling Lord Maccon (loud, messy, gorgeous, and werewolf) is sent by Queen Victoria to investigate the incident, and he is none too happy to see Alexia at the scene. With unexpected vampires appearing and expected vampires disappearing, everyone seems to believe Alexia responsible, given her soulless ability to negate supernatural powers. TASCHEN

# Dear DC fans,

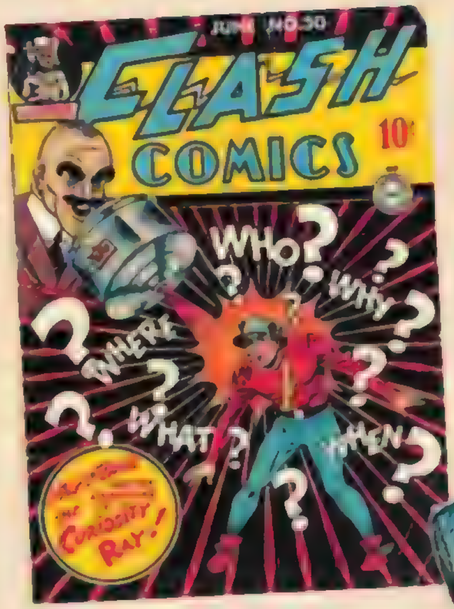
For those of you who didn't surrender to the ardent comic fan's passionate urge to buy ***75 Years of DC Comics: The Art of Modern Myth-Making*** because you didn't have any shelves that could fit the mammoth 16-pound edition from TASCHEN, we're back to tempt you again! Newly revised and expanded into a 5-volume series (one for each of the hallmark eras of modern comics), the Eisner and Eagle Award winner posed the challenge of how to make something that was so well received even better, and I think we came up with a great set of answers.

Starting with ***The Golden Age of DC Comics***, which debuts just in time for the holidays, and capping the series with ***The Modern Age of DC Comics***, due out next summer, we were able to expand each major chapter in DC's history significantly—with over 1,000 new images on top of what was already the most exhaustive museum exhibit in book form ever done in comics. TASCHEN Art Director Josh Baker continued his search for rare and unique imagery, and classic moments from behind the scenes, as well as the comics, films, television shows, and cartoons. And it allowed me to go back in and add some nuggets of history we couldn't squeeze into the XL version, particularly in volumes 4 and 5, which cover the last few decades. We're also capping each volume with an original and exclusive interview conducted with legends like Joe Kubert and Neal Adams.

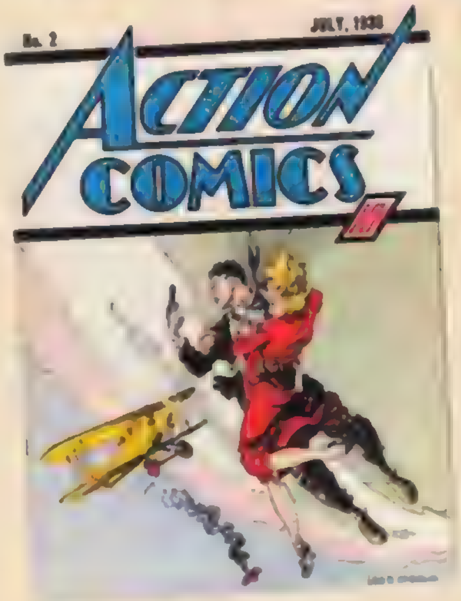
Even better, though still hefty at 9.4 x 12.8 and 400 pages, it will fit on your bookcase! And if you know a fan of a particular era, you can give the gift of a single volume far more affordably than giving the whole DC history. While you add ***The Golden Age of DC Comics*** to your Christmas lists, excuse me…there's a thousand or so captions to edit on my desk….

Best,

Paul Levitz



***Flash Comics*** No. 30. Cover art, E. E. Hibbard, June 1942.



***Action Comics*** No. 2. Cover art, Leo O'Mealia, July 1938.

That's right, DC fans. ***The Golden Age of DC Comics*** will be out in time for Christmas. Look for ***The Silver Age***, ***The Bronze Age***, ***The Dark Age***, and ***The Modern Age*** in 2013!

### O/A DOCTOR WHO TOUCHED BY AN ANGEL HC

*(W) Jon Morris*

In 2003, Rebecca Whitaker died in a road accident. Her husband Mark receives a battered envelope, sent eight years earlier, containing a set of instructions and a letter with a simple message: "You can save her." Later that night, Mark glances at a security monitor, only to see himself — and behind him a stone statue of an angel, covering its eyes as if weeping. Yet, when Mark turns, there's nothing to see. As Mark is given the chance to save Rebecca, it's up to the Doctor, Amy and Rory to save the whole world. Because this time the Weeping Angels are using history itself as a weapon. (STK440089)

### SERAPHINA NOVEL HC

*(W) Rachel Hartman*

Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational, mathematical minds to universities as scholars and teachers. Seraphina Dombegh has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered in a suspiciously draconian fashion. Seraphina is drawn into the investigation, partnering with the captain of the Queen's Guard, the dangerously perceptive Prince Lucian Kiggs, while she struggles to protect her own secrets. ### THE STEAMPUNK GAZETTE HC

This handsomely produced volume tells the story of Steampunk, which began in the 1980s as a pop culture movement inspired by pioneering science fiction tales that came out of the late Victorian and Edwardian eras. Steampunk, with its nostalgia for devices and inventions of the nineteenth century, soon evolved into an international lifestyle movement. *The Steampunk Gazette* chronicles the origins and development of that subculture, using an old-fashioned illustrated newspaper-style design that reflects Steampunk's retro aesthetic. FATHER GAETANO'S PUPPET CATECHISM
MIKE MIGNOLA
CHRISTOPHER GOLDEN

### FATHER GAETANO'S PUPPET CATECHISM: AN ILLUSTRATED NOVELLA HC

*(W) Christopher Golden, Mike Mignola (A/CA) Mike Mignola*

From the creator of *Hellboy*, an illustrated novella that brings *Twilight Zone* originality to the written page. In the aftermath of a World War II battle, Father Gaetano is assigned as the sole priest at the Church of San Domenico in the small, seaside Sicilian village of Tringale, and its rectory has been converted into an orphanage. The children have lost much in the war, and many have begun to question their faith. Gaetano's attempts to teach them the catechism are in vain, until he finds an old puppet theatre in the basement. The puppets seem the perfect tool to get the children to pay attention to their lessons. But after dark the puppets emerge from that ornate box, without their strings. While the children have questioned their faith, the puppets believe Father Gaetano's Bible stories completely! (STK473279) (C: 0-1-1)

RISE OF THE GUARDIANS

### THE ART OF RISE OF THE GUARDIANS HC

*(W) Ramin Zahed*
In *Rise of the Guardians*, North, Bunnymund, Tooth, and Sandman try to recruit the mysterious Jack Frost to help them stop Pitch from putting an end to childhood belief and sending the world into eternal darkness. Rise of the Guardians is one of DreamWorks Animation's most ambitious films to date, allowing families to get to know the icons of childhood in a whole new way. Its mythic premise provided the artists at the studio with an opportunity to let their imaginations soar, producing a truly unique take on the imaginary figures of childhood and the innocence and joy they represent. *The Art of Rise of the Guardians* is a fascinating look at the ways these artists and craftspeople collaborated to create a stunning CG movie in 3D that will change the way we look at childhood. *(W) Rich Sternbach, Ben Robinson*
An all-new *Star Trek* technical manual of the legendary Klingon Bird of Prey, presented in the world-renowned Haynes Manual format! This new book exposes the secrets of the Klingon Empire's Bird of Prey vessel. After a brief introduction to Klingon warships and the iconic Bird of Prey, this manual then takes the light B'rel-class scout as its main subject, providing specific coverage of propulsion, weapons, armor and defensive systems, bridge and tactical stations, and crew facilities. Key technologies are described in detail and supported by brand new full-color artwork, line art, photographs, ship specifications, and historic notes. (STK473851) (C: 0-1-2)

BRAINCHILD STUDIOS NYC

## LANDMARK PEOPLE & EVENTS: BRAINCHILD STUDIOS/JOSH BEATMAN

In the mid-80's Graphitti Designs found itself in an enviable position. We had access to and were working on projects with some of the best talent in comics, which required a new level of creativity-in-presentation on our part. We found our design savior in the clean, functional and stylish designs of Richard Bruning and his company Brainstorm. Josh Beatman entered the picture as Richard's associate. When Richard was offered the Art Director position at DC Comics in the mid-90's, he turned his accounts over to Josh who quickly made a name for himself in the design world. Besides Graphitti Designs, Josh created the DC Comics-spin logo, the Comic-Con International logo and behind the scenes, designed books, developed logos and designed editorial pages for the DC and Vertigo books and then there were Josh's clients outside of the world of comics. Josh's wide graphic reach allows him to bring an attitude to our products that has helped define Graphitti Designs with a look that is second to none. Josh makes our products look good and has helped make Graphitti Designs relevant and competitive in the every-changing marketplace. Thank you Josh for making us look good.

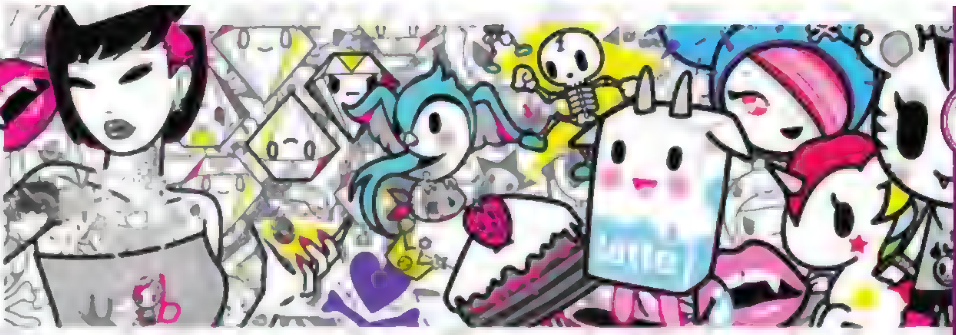
# tokidoki



TOKIDOKI means "sometimes" in Japanese. I chose a Japanese word because I love Japan. I love everything from the ultra modern happy face of Shibuya to the serious magic silence of Kyoto. I chose "sometimes", because everyone waits for moments that change one's destiny. By simple chance or meeting a new person, tokidoki is the hope, the hidden energy everyone has inside that gives us the strength to face a new day and dream something positive, that something magical will happen to us.
Hello, my name is Simone Legno.

### FUTURAMA NIBBLER VINYL FIGURE

*(A) Matt Groening*

*Oh, Schnuchoms!* With his (unintentionally) adorable vinyl exterior, *Nibbler* masquerades as the cute unintelligent pet of Leela, captain of the Planet Express ship in Matt Groening's celebrated television series, *Futurama*. Dressed in a dashing cape and smelly diaper, you'd never suspect Nibbler is really an undercover, highly intelligent being on a mission to protect the planet Earth from evil Brainspawn! Paired with a tray of kitty litter to catch his powerful poo (Nibblonian excrement consists of super-dense dark matter, suitable for use as starship fuel), Nibbler is ready to save our small planet and power a few spacecraft along the way! (STK473124) Scheduled to ship in October 2012. (7580/T12YL012) (C: 1-1-3) **NOTE:** Not available in Asia.

### LAUREN VENELL'S DEEP CREEPS: LEONARDO THE OCTOPUS PLUSH

*(A) Lauren Venell*

From Lauren Venell, the creator of *Sweet Meats*, comes a new line of original toys inspired by the animals who live in the deepest parts of the ocean. The "Deep Creeps" are a cadre of friendly creatures who manage to find warmth, light and friendship in the coldest, darkest place on the planet. *Leonardo the Octopus* is the first to arrive. A precocious youngster, Leonardo could open cookie jars at just a few months old. He gets his big ears from his dad, a Dumbo Octopus, and his glowing eyes and suckers from his mom, a *Stauroteuthis syrtensis*. A naturally skilled glider with webbed arms, Leonardo loves to dance and give "umbrella" hugs. Leonardo (16" x 8") is made from super-soft velour, fleece, felt, and polyfill stuffing — all of which have been spun from recycled PET plastic. Packaged in a re-usable, printed plastic carrying case. (STK474175) Scheduled to ship in October 2012. (6856/SWMT0009) (C: 0-1-3)

The Simpsons

### THE SIMPSONS: HOMER BUDDHA VINYL FIGURE

*(A) Matt Groening*

*Mmmmm. Enlightenment.* Long ears signify past wealth, a big head represents the disconnection between mind and body, a tuft of hair symbolizes great inner wisdom, and a giant fried dough topped with pink frosting and rainbow jimmies equals deliciousness. With a pretzel in one hand, and beads in another, Homer passes down the oral tradition of donut eating. From *The Simpsons* and Kidrobot comes the *Homer Buddha* vinyl, inspired by *The Simpsons* episode "Goo Gai Pan," in which Homer poses as Buddha to gain entry into an orphanage in China. The 7-Inch vinyl figure sits on a donut and comes with two removable accessories. Packaged in a closed box shaped like a Chinese take-out container. (STK473126) Scheduled to ship in October 2012. ### O/A TOKIDOKI: DONUTELLA PLUSH

*(A) Simone Legno*

Donutella comes from a planet where sugar is used as energy. One day while out scouting the Milky Way for a new fuel source in her donut UFO, Donutella discovered planet Earth. On Earth, Donutella was excited to find a lot of sweets and treats to fuel herself and her people. Almost instantly Donutella realized that it would be much better to start a sweet colony here and invite all of her friends than to go back home. Created by Italian designer Simone Legno, Donutella is one of his popular *tokidoki* characters. (STK456883) **Available Now!** (1351/TDTYPLDNTLAMLTN) (C: 1-1-3) **NOTE:** Not available in Europe.

*A Gentle Giant Release!* Since 1965, Marvel Comics' Clint Barton (better known as Hawkeye) has been a mainstay of the legendary Avengers. One of the most popular heroes of the Marvel Universe, Hawkeye has incredible natural talents for archery and hand-to-hand combat, and is devoted to keeping himself in top physical condition. The 1/6-scale polystone *Hawkeye Mini-Bust* features Barton in his iconic purple and blue uniform, wielding his custom bow and a quiver full of his signature "trick" arrows. As an added bonus, collectors can choose to display Hawkeye with one of five different trick arrows — Bola, Cable, Explosive, Flare, and Hunting! (STK457452) Scheduled to ship in October 2012. (5498/80194) (C: 1-1-4) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

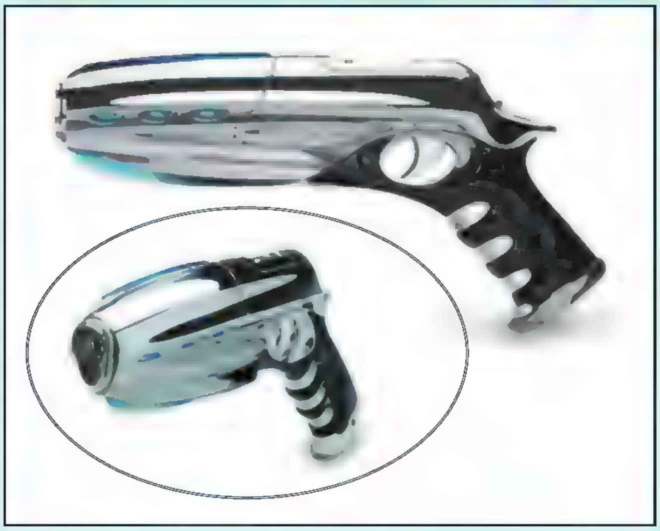
### SPOTLIGHT ON



**MEN IN BLACK 3: STANDARD ISSUE SIDEARM REPLICA**

In *Men in Black 3*, Agents J and K are back… in time. J has seen some inexplicable things in his 15 years with the Men in Black, but nothing, not even aliens, perplexes him as much as his wry, reticent partner. But when K's life and the fate of the planet are put at stake, Agent J will have to travel back in time to put things right. EFX recreates the *Standard Issue Sidearm* carried and used by Agent K during a shootout in Wu's Chinese Restaurant. The original prop was machined from metal with simulated carbon fiber details. The electronics were designed to give off a bright blue glow and emit a flash from the muzzle when the trigger was pulled. Limited to an edition of 1,000 pieces, this replica comes with a display stand, numbered plaque, and Certificate of Authenticity. (STK473037) Scheduled to ship in December 2012. (1859/SAT01121001) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

**FIREFLY: LITTLE DAMN HEROES – INARA SERRA MAQUETTE**

Beautiful, exotic Inara Serra, a licensed companion in the Union of Allied Planets, not only offers the pleasure of her company to the rich and powerful. She also lends *Serenity* an air of respectability as she travels the 'Verse with the crew of the *Firefly*-class transport ship. Whether she's dancing at a fancy shindig, engaged with a client under more intimate circumstances or helping the crew of Serenity craft an elaborate caper, Inara does everything with class, distinction — and maybe just a little bit of naughtiness. QMx has rendered Inara in a 4 1/4" hand-cast, hand-painted maquette. Intelligent and perceptive, her Zen-like calm is betrayed by a subtly sly smile and a knowing glimmer in her eyes. The *Little Damn Heroes: Inara Serra Maquette* is posed on a sleek black stand and is offered in a numbered, limited edition of 2,000 statues and comes with a Certificate of Authenticity. (STK474199) Scheduled to ship in October 2012. (7814/FFY0172) (C: 0-1-2)

**HARRY POTTER AND THE DEATHLY HALLOWS MINI-BUST**

*A Gentle Giant Release!* The tale of The Boy Who Lived races to its epic conclusion in *The Deathly Hallows*, the final installment of J.K. Rowling's masterpiece. At seventeen, Harry has experienced more pain and suffering than most do in entire lifetimes, and yet he's never lost the will to fight for good. Based on Daniel Radcliffe's digitally scanned likeness to ensure the utmost accuracy, Harry is rendered here in high quality polystone warding off an incoming attack with a counter-curse as he battles Lord Voldemort and his minions. Each 1/6-scale mini-bust is hand painted and individually numbered and comes with a matching Certificate of Authenticity. (STK457451) Scheduled to ship in October 2012. (5498/80229) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

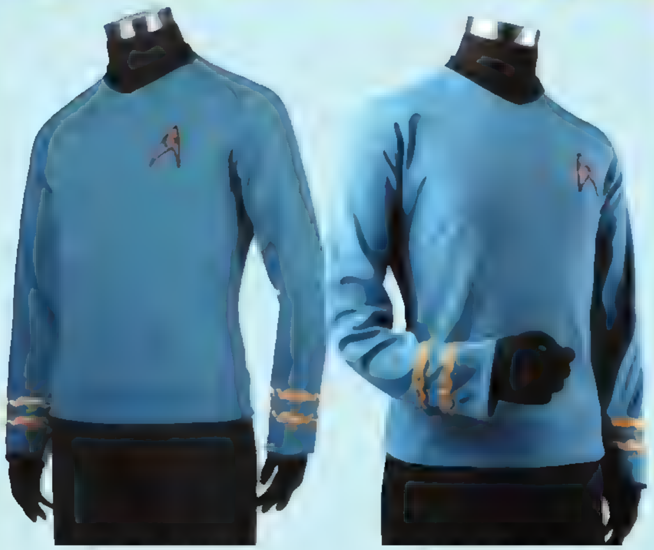
## STAR TREK

### SPOTLIGHT ON



**STAR TREK: THE ORIGINAL SERIES – SPOCK REPLICA TUNIC**

*ANOVOS' Star Trek: The Original Series — Spock Replica Tunic* is a highly accurate recreation of the uniform top worn by Leonard Nimoy during the third season of the original *Star Trek* series. Using the exact double-knit fabric, elusive diamond-weave neck material, and patterns drawn from a screen-used hero Spock uniform, this tunic will meet every fan expectation even to the most critical eye. ANOVOS offers this exacting replica in Mr. Spock's style with Commander braid formation, containing two full braids for each sleeve. Each tunic features the Science Division Delta Shield *Enterprise* patch. Taking a page from Spock's "I endeavour to be accurate", ANOVOS recreates only the best of costume replicas. To pass on this would be, simply put, highly illogical! Scheduled to ship in October 2012. (2011) (C: 0-1-2)

### STAR TREK: THE ORIGINAL SERIES – UHURA REPLICA DRESS

Back in the late 1960s, Lieutenant Uhura made history by being a strong willed woman officer on the bridge of a starship, playing one of the most vital roles during the *Enterprise*'s five year mission — her communications officer. As part of their women's *Star Trek* line of high-end replica costuming, ANOVOS desired to recreate Uhura's iconic costume. Featuring the exact double-knit fabric from the original uniforms, and fabric dyed to match screen-used fabric samples, this dress fabric is accurate to the original swatches used on set during filming. Patterns were based off of original cut patterns used from the set to ensure complete accuracy and look. A long hidden zipper finishes the piece, recreating one of the most iconic feminine designs of its time and even today. This is by far one of the beautiful pieces created in the ANOVOS collection, and Star Trek fans deserve to own this one-of-a-kind piece. Scheduled to ship in October 2012. (2011) (C: 0-1-2)

### STAR TREK MOVIE – UHURA REPLICA DRESS

Strong. Sleek. Appealing. How does one describe the first lady of *Star Trek XI*, Lieutenant Uhura? With her graceful conjecture, forthrightness and compassion she embodies the ideal woman of our day and age. ANOVOS is proud to present the *Star Trek XI Female Dress Uniform*. From the sleek curves to the subtle design of her dress, the *Star Trek XI* dress, embodies the woman. Uhura's alluring and sleek micro dress features supple fabric and a slendering cut that highlights the contours of your figure. Using meticulous research from multiple screen used pieces from the new *Star Trek* film, this dress was produced with the same dyeing/printing from the original manufacturers. The dress uniform includes a charcoal yolk. Scheduled to ship in October 2012. (2011) (C: 0-1-2)

## SPOTLIGHT ON

### STAR TREK MOVIE – STANDARD SCIENCES REPLICA TUNIC

Be inquisitive, but courageous. Be bold. Spock has become a social icon representing the inquisitive nature inherent in all of us. Being re-imagined by J.J. Abrams, younger Spock shares much of the same characteristics as the classic beloved character. The same can be said about Dr. Leonard "Bones" McCoy, who embodies both the passionate and emotional nature of humanity. Contrasting each other, their classic rivalry has even been integrated in J.J. Abrams' re-imagined version of this classic science fiction masterpiece. Now you can share your appreciation for both these characters, embodied in the Standard Blue Science Costume Tunic, offered by ANOVOS. From the finely tuned print process, the match dyed replicas to Zachary Quinto's hero Spock outfit, the final product was as meticulously crafted, as if made from Spock's own hands. Now is the opportunity to purchase this outfit with a limited purchasing window. If you relate to either of these legends, embody their character with this beautiful high-end replica. CLUSTER EDGE

### CLUSTER EDGE: COLLECTION ONE

Cluster Edge Academy isn't just any school; it's the school, where the offspring of the elite come together to prepare for their roles running a world where artificial soldiers and religious sects are major factors in the battle for total control. Which may be part of why new transfer student Agate Fluorite doesn't quite seem to fit in. It's not just that Agate's enthusiastic attitude stands out among the somber, brooding balance of the student body... there's something about him that demands notice, even from jaded honors students like Beryl Jasper. And from the moment of his arrival he's been at the center of a series of mysteries that not even Agate understands. Because he's not just another student, Agate is part of a something so momentous, and dangerous, that the world that built Cluster Edge may not survive its passing. And while it may take a miracle to survive the deadly forces already in motion against him, Agate may just be able to produce one in *Cluster Edge: Collection One*! (STK474365) (C: 0-1-3)

### CROISEE IN A FOREIGN LABYRINTH: COMPLETE COLLECTION

Revolutions always wreck mayhem and carnage, and the Industrial Revolution is no different as it engulfs Europe, leaving outmoded businesses and millions stripped of their traditional ways of life forever as its casualties. Cultural Revolutions are no less devastating, and as the 19th century comes to an end, young Yune has seen her native Japan shaken to its very core as the walls separating it from the western world have finally crumbled, sending an entire nation on a quest for a new identity. But, like the phoenix, the new is inevitably born from the ashes of the old, and when Yune decides to accompany her new acquaintance, Oscar, to Paris where his family's metal declining shop is barely making ends meet in the face of its new competition, she may just be setting a new wave of changes into motion. Could Yune be the critical spark needed to rekindle the fires in both the hearts and minds of the Enseignes du Roy? As old worlds come to an end, new beginnings will be forged in *Croisée in a Foreign Labyrinth*! (STK474371) (C: 0-1-3)

### PSYCHIC SQUAD: COLLECTION THREE

Between training and field experience, the abilities of the three girls in the ESPer team, "The Children", have continued to expand and diversify. However, as Aoi, Kaoru and Shiho keep learning new ways to apply and utilize their powers, it soon becomes obvious that the real question is not how they use their powers, but rather what they might use them for. With sinister organizations like P.A.N.D.R.A. and its teams of ESPers as an example, and capabilities that are already far beyond those of any normal human, are they becoming *too* powerful? But if that's so, why is Ichirou Tanizaki suddenly teaching the girls how to understand the way that criminals think? And just what is this secret mission that Koichi has left on without them? Are they lambs being intentionally led astray, or are they closely watched wolves in good girls' clothing? And whether they're really heroes or prisoners, their already chaotic existences are about to be shaken to the core once again as a new psychic force enters their world in *Psychic Squad: Collection 3*! ### THE CURSE M

She's tantalizing. Spellbinding. Irresistible. And yet freelance photographer Uemura fights his attraction for the beautiful Mari with all his might. For not only is she the wife of the prominent head of a prestigious hospital, but all of those who've previously had affairs with this sensual succubus seem to have expired prematurely. It's a losing battle, however, and Uemura soon finds himself pulled into the arms of the voluptuous Mari and the jaws of a trap designed to suck men dry and spit out the husks. For it seems that Mari's husband, Ginjiro, is all too aware of who's been sleeping in his wife's bed, and the sexual predation that follows will pull Uemura into a world of bondage and depravity. From the novels of the late legendary S/M Master Oniroku Dan, comes a twisted tale of ties that bind until only death can part them — *The Curse M*! (STK474366) (C: 0-1-3)

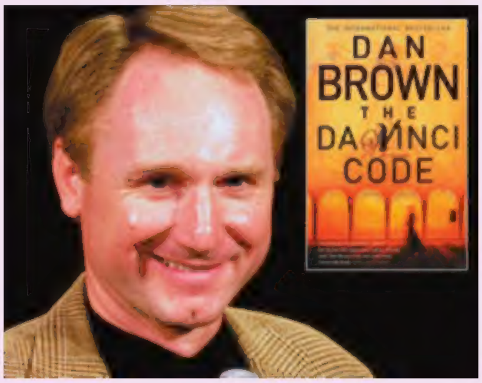
## YOU SHOULD BE IN (WORDS) AND PICTURES!

Many bestselling novels have been adapted into graphic novel form – Stephenie Meyer's *Twilight*, Jim Butcher's *Dresden Files*, Clive Barker's *Thief of Always*, and Ray Bradbury's *Fahrenheit 451*, to name just a few – and many bestselling authors have brought their talents to the comics world – Harlan Ellison, Orson Scott Card, and even Anthony Bourdain.

But there are many great works that haven't been adapted, and great writers who haven't dipped their feet in the comic pool. This month, Previews takes a look at some books that are not only great in their own format, but would translate well into graphic novels.



DAN BROWN
THE DA VINCI CODE

## THE DA VINCI CODE

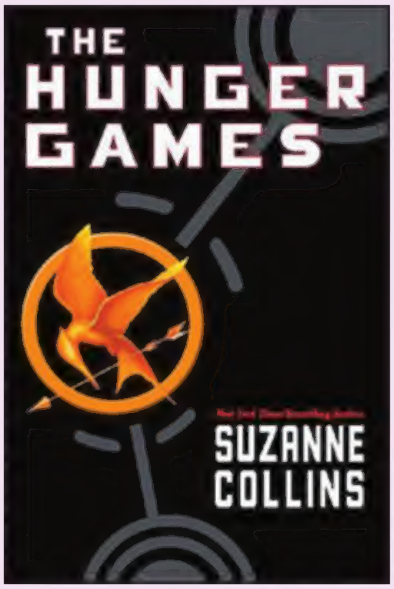
Dan Brown's *The Da Vinci Code* is a globe-trotting mystery full of references to art, architecture, full of in depth references to the subtle aspects of numerous works – not to mention a very visually interesting villain. While it made for a fun movie, a graphic novel offers the ability to take a closer, more detailed look at the art in the story, without the reader having to do a Google image search every two pages.

HARRY POTTER
Harry Potter

## HARRY POTTER SERIES

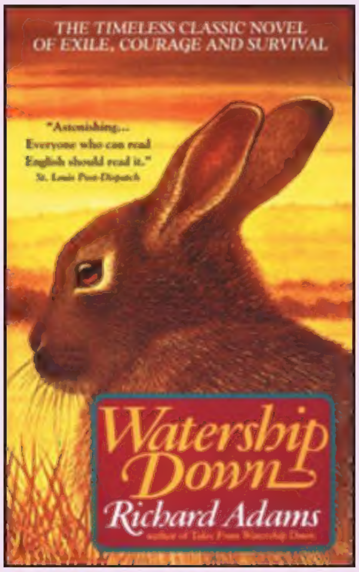
Does this even need an explanation? J.K. Rowling's novel series about a young wizard who must grow up to face the ultimate evil is a cultural phenomenon at this point, and would easily lend itself to the comic form. Everything from the storyline to the audience is perfect. Come on, J.K., make it happen!

## THE HUNGER GAMES



THE HUNGER GAMES
SUZANNE COLLINS

Suzanne Collins' dystopic young adult series is another that seems tailor-made for the graphic treatment. From the wild fashions hinted at in her descriptions of the opulent Capitol to the action in the Arena (where the Tributes fight to the death), *The Hunger Games* has a distinct visual aspect that begs to be shown in full glory. And the strong female protagonist is just the thing for girls who don't feel represented in comics.



THE TIMELESS CLASSIC NOVEL OF EXILE, COURAGE AND SURVIVAL
"Astonishing... Everyone who can read English should read it." St. Louis Post-Dispatch
Watership Down
Richard Adams

## WATERSHIP DOWN

Richard Adams' classic novel of a group of rabbits' journey to a new home has all the elements of a great graphic novel: rolling landscapes, grave dangers, bold heroism, and intelligent animals. A perennial favorite of kids and adults alike, a comic would not only offer something new for those who've read the book, but make it accessible to those who might find the 400-plus page prose version daunting.

THE LORD OF THE RINGS
TOLKIEN

### THE LORD OF THE RINGS TRILOGY

J. R. R. Tolkien's fantasy epic has been adapted into film, radio, and stage productions, but never into comics. With the massive scope and depth of the books, a comic series would be the perfect medium in which to capture the full spectacle of the novels without having to sacrifice for time or budget constraints.

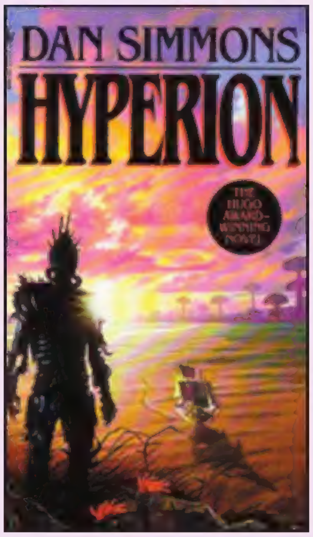
CHERIE PRIEST
BONESHAKER

### BONESHAKER/ CLOCKWORK CENTURY SERIES

The first novel in Cherie Priest's "Clockwork Century" series, it features a number of elements that would make for great comics: a Steampunk setting with all the attendant cool Victorian garb, giant machines, and zombies. Given the relatively small amount of steampunk comics out there, *Boneshaker* could be just the title to really bring that genre to the fore.

### HYPERION

Winner of the Hugo and Locus awards when it was released in 1990, Dan Simmons' novel of a group of interstellar pilgrims seeking audience with the all-powerful Shrike blends science fiction, fantasy, technology, and philosophy with a round-robin series of interconnected stories. In short, the novel has what it takes for a fun, sci-fi comic.



THE PRINCESS BRIDE
S. Morgenstern's Classic Tale of True Love and High Adventure
WILLIAM GOLDMAN

### THE PRINCESS BRIDE

Everyone knows the film by Rob Reiner: A grandfather reads his ailing grandson a tale of princesses and lost loves, of villains and revenge. Everyone can quote from it. In an era of visceral fantasies (*A Game of Thrones*), high fantasies (*The Lord of the Rings*), and even cynical fantasies (*The Legend of the Seeker*), surely there's room for a pure and romantic fantasy like William Goldman's novel, *The Princess Bride*? Imagine the tale, drawn by master of fantasy like P. Craig Russell or Charles Vess or Thomas Yeates. Lush, romantic, exciting. Just what literature should be.

### GEORGE R. R. MARTIN

Does this man even need an introduction? Have you read *A Song of Ice and Fire* (or watched *Game of Thrones*)? Martin has proven adept at building worlds and creating complex interplay between a large cast of characters, while defying expectations and keeping readers enthralled. And while his novel *A Game of Thrones* has been adapted by Dynamite Entertainment, many fans would love to see Martin create an original comic series. Unfortunately, given his current writing pace, a standalone graphic novel would probably be the best to hope for.
